AGENDA APPOINTMENT FORM

September 10, 2012

Name: Julie Reid

Name of Organization: Council of Governments

Purpose of appearance: Public Hearing - Scattered Site Program Amendment

Request of Board: Action as Indicated on Summary Sheet

September 10, 2012

Memorandum to: **The Vance County Board of Commissioners**

From: **Julie A. Reid, Community Development Administrator**

Regarding: **Program Amendments**
 Budget Amendment
 Amendment to the Environmental Review Record
 Vance County 10-C-2131 Scattered Site Program

A home located at 1140 Stagecoach Road was included in the original application as a substantial rehabilitation. The home had been listed as marginal for a successful substantial rehabilitation. During the time between the application and the actual bid process, the home continued to deteriorate. It has been determined that it is no longer feasible to rehabilitate the home within the State guidelines.

Staff has proposed to demolish the property and reconstruct a new home on the property. The home owner has agreed to this action.

A public hearing is required to revise the original application for the Scattered Site rehabilitation program. A public hearing is also required to amend a project budget. The following is proposed

- A change from rehabilitation of a home located at 1140 Stagecoach Road, to the demolition and reconstruction of a new home at the same location; and
- A change in the program budget as attached to reduce expenditures under the rehabilitation line item and add expenditures in the demolition line item and add expenditures in the reconstruction line item ; and
- Authorization to amend the environmental review record to reflect the deletion of the rehabilitation of a home at 1140 Stagecoach Road and the insertion of a demolition and a reconstruction of a home at 1140 Stagecoach Road.

Suggested motion

I move that a change from rehabilitation to demolition and reconstruction be approved for 1140 Stagecoach Road; and

I move that the project budget be amended to reduce funds in the rehabilitation line item while providing funding for demolition and reconstruction.

I move that grant staff be directed to amend the Environmental Review to reflect the change from rehabilitation to demolition and reconstruction.

**NOTICE OF PUBLIC HEARING
COMMUNITY DEVELOPMENT BLOCK GRANT
COUNTY OF VANCE**

Notice is hereby given that the Vance County Board of Commissioners will hold a required Public Hearings on September 10, 2012 at 6:00 p.m. in the Commissioners' Meeting Room located on the second floor in the Vance County Administrative Building located at 122 Young Street, Henderson, North Carolina 27536. The purpose of this hearing is to allow the public to hear about proposed changes to the Vance County 2010 Scattered Site Rehabilitation Program. During this hearing, information will be provided on the following topics and the public will have an opportunity to express comments to the Board of Commissioners:

- A change from rehabilitation of a home located at 1140 Stagecoach Road, to the demolition and reconstruction of a new home at the same location; and
- A change in the program budget to reduce expenditures under the rehabilitation line item and add expenditures in the demolition line item and add expenditures in the reconstruction line item ; and
-
- Authorization to amend the environmental review record to reflect the deletion of the rehabilitation of a home at 1140 Stagecoach Road and the insertion of a demolition and a reconstruction of a home at 1140 Stagecoach Road.

Any and all interested citizens are invited to attend this Public Hearing. Questions or comments concerning this Public Hearing or the Community Development Block Grant Program should be addressed to:

AGENDA APPOINTMENT FORM
September 10, 2012

Name: Jordan McMillen

Name of Organization: Planning and Development

Purpose of appearance: Public Hearing - Rezoning Case # RZ1209-1

Request of Board: Approve Rezoning Rationale

DEPARTMENT OF PLANNING & DEVELOPMENT

PLANNING STAFF REPORT

REZONING CASE # RZ1209-1

STAFF PROJECT CONTACT: Jordan McMillen

EXPLANATION OF THE REQUEST

This is a request to amend the zoning map and to rezone a non-contiguous portion of parcel 0374-03021. The area to be rezoned totals 0.79 acres and is mostly wooded and vacant in nature.

Over the years the original parent tract has been split up in a fashion that left portions of the original tract in various locations not touching each other (i.e. noncontiguous). Because of the random pattern of development the remaining portions were of varying lot sizes and in this case unable to meet minimum lot size requirements for the zoning category. If approved for the rezoning, the applicant plans to subdivide and create a separate developable parcel from this non-contiguous portion. The rezoning will in effect allow the property owner to subdivide the non-contiguous portions and utilize both pieces.

OWNER/APPLICANT

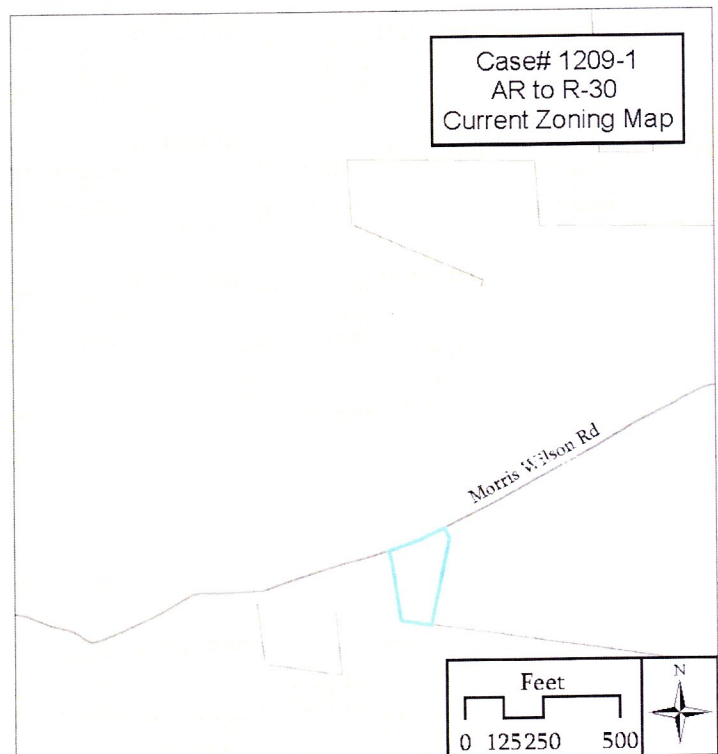

OWNER: James A. Hall, Jr.
1751 Spring Valley Lake Road
Henderson, NC 27537

PROPERTY INFORMATION

LOCATION: Morris Wilson Road; more specifically identified as the southernmost non-contiguous portion of tax parcel 0374-03021.

EXISTING LAND USE: The parcel is currently zoned as A-R and is vacant and wooded. Following consideration of the rezoning the property owner will finalize and record a survey that separates the two non-contiguous parcels.

SURROUNDING LAND USE: The surrounding land use is predominantly agricultural-residential and low density residential. The parcels fronting on Morris Wilson Road are mostly all low density residential (R-30), while the larger tracts off of the road are mostly agricultural-residential (A-R). Once the non-contiguous parcel is split the larger remaining tract is more suitable for agricultural residential zoning and would remain in that zoning while the smaller piece to be subdivided is more suitable for low density residential (R-30) zoning.

SIZE: The proposed parcel size is 0.79 acres.

ZONING HISTORY: All lots to date in this area have been zoned as they were since countywide zoning was established in November 2011.

OTHER SITE CHARACTERISTICS: The portion to be rezoned slopes gradually from west to east, is not located in a water supply watershed and is not effected by wetlands or floodplains.

IMPACTS

This rezoning appears to have minimal if any impacts on traffic, schools, or fire/EMS related impacts.

STAFF COMMENTS AND PLANNING BOARD RECOMMENDATION

The random pattern of development in the past prior to development regulations being implemented has a direct impact on the need for this rezoning. By subdividing the land into separate, non-contiguous sections a situation is created where one of the remaining sections does not meet the lot size requirements of its current zoning by itself. In order to rectify this situation a rezoning of the smaller section would be necessary, when such rezoning is deemed appropriate.

When zoning categories were assigned, they were given based upon the predominant current use of the property. As this tract was a part of a larger parent tract, the zoning was assigned consistent for both tracts based upon the current predominant use at that time. Now as the property owner is looking to subdivide or separate the two pieces and potentially sell each portion, a rezoning of the smaller portion is necessary and appears warranted in this situation.

The request appears to meet all conditions warranting a variance of the lot size, however the property owner felt a rezoning would be more advantageous than a variance over the long term. The conditions of a variance are as follows: (1) If the applicant complies strictly with the provisions of the ordinance, he or she can make no reasonable use of their property (2) the hardship results from unique circumstances related to the applicants property (3) the hardship is not the result of the applicant's own actions (4) the request is in harmony with the general purpose and intent of the zoning ordinance and preserves the spirit of the ordinance and (4) the approval assures the public safety and welfare. With all of these factors present, the property owner chose to request to have the property rezoned as opposed to seeking a variance to allow the zoning to be consistent with the surrounding zoning and land uses.

The rezoning request appears to be consistent with the land use plan through preserving the natural character of the county, promoting and encouraging additional housing construction, and minimizing detrimental effects of incompatible land uses. Staff recommends approval of the rezoning request.

PLANNING BOARD RECOMMENDATION: Recommended for approval on August 9, 2012; *Justification* – The rezoning would make the property's zoning consistent with the zoning for other similar sized and situated parcels along Morris Wilson Road. Without the rezoning, the applicant could make no reasonable use of their property and the request appears to be consistent with the general purpose and intent of the zoning ordinance while preserving the spirit of the ordinance.

BOARD OF COMMISSIONERS

Whenever the Board of Commissioners makes a decision to adopt or to reject a zoning amendment, the board must approve a written statement describing whether the action is consistent with an adopted comprehensive plan. The statement must also address why the board considers the action taken to be reasonable and in the public interest. The board is not required to follow its adopted plans in zoning decisions, but must consider its reasons for deciding to follow the plan or not.

Draft Rationale for Board of Commissioners Approval: The original intention of drawing the zoning boundaries utilized existing parcel boundaries. Based upon this, a non-contiguous parcel was assigned the same zoning for all portions of the same parcel. Approval of the rezoning would allow each portion to more closely resemble the zoning of similar sized and situated parcels in this area and would alleviate a situation where the applicant can make no reasonable use of each portion of their property. Based upon this, there is justification to allow the rezoning thereby amending the zoning map. The rezoning is reasonable, will allow for further development, and is consistent with the land use plan.

Property Background

The subject property is located at 2265 St. Matthews Street and includes a structure that has been severely fire damaged. In addition to being a significant safety issue, the property is very visible and is located within the entrance corridor to the City of Henderson and Vance County. Over a period of 3 years there have been several complaints as well as concerns raised by the Henderson and Vance County Appearance Commissions as to the condition and safety of the structure.

The property is owned by Mr. Calvin Allen and Mrs. Lola Allen.

Procedure of Enforcement

In accordance with Ordinance #33 (Minimum Standards for Existing Buildings), it has been found that the structure is severely dilapidated, has extensive damage to the exterior walls, has no insulation, no plumbing, no electricity, and is severely fire damaged.

Over the period of several months an investigation was completed, the property owners were issued a notice of violation as well as a notice of administrative hearing, and were issued a determination with a period of time for compliance following the administrative hearing. All notices were delivered and signed via certified mail and the property owners refused the opportunity to attend the administrative hearing. During this time conversations took place with the property owner in which the owner stated on more than one occasion that the structure would be demolished. To date we have worked with the property owner and have given every opportunity for the property owner to proceed with some action even going above and beyond the 90 day timetable as is referenced in Ordinance #33.

Request of Board: Approve Lease Proposal

Backup PSAP (911 Center) Radio System Lease Proposal
Executive Summary

Vance County Board of Commissioners
September 10, 2012

The construction phase of the backup PSAP has been completed.

The furniture is now in place and we are in the process of installing the Computer Aided Dispatch (CAD) system as well as other related systems.

The telephone system is slated to be installed in October and all the preparatory work for the radio system has been completed. At this point the one remaining element that is needed for the backup PSAP is the console radio system.

The radio system at the backup PSAP will need to interface directly with the radio system at the primary PSAP in order to ensure that the system will be at a "Ready" status level at all times.

In order for the new radio system to function as intended with existing radio system, the new system will need to be exactly the same. Therefore, we will need to purchase it from the same vendor. We will also not need to bid the new system as it can only be provided from a single source.

Our original intention was to cover the cost of the radio system through the annual PSAP grant program. Our grant application was denied this year as we had already received an annual increase of roughly \$140,000.00 to cover additional expenses associated with the backup PSAP.

We now recommend a lease purchase of the console radio equipment. This is an allowable expense utilizing 911 ETS funds. There will be no local County dollars involved in this purchase.

The cost of the equipment is \$193,948.00. Our intention is to secure this equipment through a 60 month lease at the end of which we will own the equipment. We estimate that with current interest rates our monthly payment would be roughly \$3,200.00 or \$38,400.00 annually.

We have carefully reviewed our current monetary ETS obligations and are confident that we can easily absorb this additional expense within our existing ETS allowance from the NC 911 Board.

Further, as our annual allowance from the 911 Board is directly tied to a rotating 5 year average of expenses, this additional expense will result in additional increases from the State each year.

Please give serious consideration to this request. We cannot complete the Backup PSAP without the installation of a radio system.

I will be happy to answer additional questions that anyone may have.

SUBJECT: County Water Project – Phase 1A – Rural Center Grant
DATE: September 10, 2012

156 Church Street, Suite 3
Henderson, NC 27536

Ph: (252) 738-2091
Fax: (252) 738-2089

As you are aware the county has received a \$1,000,000 supplemental grant from the NC Rural Center for the construction of Phase 1A of the County water project. In order for these funds to be contracted the county must finalize and submit the following to the NC Rural Center:

1. Submittal of a benchmark (construction) schedule from the contractor;
2. Completion of a resolution affirming that the water rates for 5,000 gallons of usage will exceed 0.75% of the median household income from the 2000 census; (required as per House Bill H2436/SL2008-107 Section 13.8.(e)(1)b);

It is anticipated that the benchmark schedule should be completed and submitted to the County for submittal to the Rural Center within the next 15 days.

Regarding the resolution, the Board would be affirming that the water rates for 5,000 gallons within phase 1A would exceed \$19.56 per month. This is based upon a median household income of \$31,301 in the year 2000.

Request #1: Authorize the approval of the resolution affirming that the minimum water rates for 5,000 gallons of water consumption within phase 1A will exceed 0.75% of the County's median household income.

Request #2: Authorize the chairperson to execute the necessary grant documents to bring the grant award under contract. Authorize the County Manager to furnish such information as the Rural Center may request in connection with the grant award or project.

*AFFIRMING MINIMUM WATER RATES FOR PHASE 1A OF THE VANCE COUNTY
WATER DISTRICT*

WHEREAS, the North Carolina Rural Economic Development Center, Inc. has awarded a \$1,000,000 supplemental grant to Vance County to support construction of Phase 1A of the Vance County Water District; and

WHEREAS, Rural Center grant eligibility is based on a municipality's average residential water rates exceeding 0.75% of the county's median household income based upon 5,000 gallons of water consumption,

NOW THEREFORE BE IT RESOLVED, by the Vance County Board of Commissioners:

That the final rates used by the Vance County Water District in phase 1A for providing residential water service will exceed 0.75% of the county's median household income:

Construction Inspection Plan

As part of the Water Project and its budget, inspectors from the engineering firm are on the construction job. The budget for Phase 1A for two full-time inspectors for 11 months (length of time projected for completion of Phase 1A) is \$255,200. This is a “not-to-exceed” amount. Action is needed by the Water District Board in order to obtain reimbursement from USDA Rural Development.

Construction Inspection Plan - General Conditions

The Consulting Engineer hereby agrees to prepare the construction inspection plan and perform construction inspection services in accordance with the following conditions:

- 1) The inspector's duties and responsibilities shall be as listed in the EJCDC E-500 Exhibit C - Compensation Packet RUS 3, EJCDC E-500 Exhibit D, and RUS Instruction 1780.76.
- 2) The experience level of the inspector(s) assigned will be commensurate with the nature and difficulty of the work to be performed, inasmuch as scheduling and overall efficiency of the inspection effort will allow. The hourly rates indicated in the inspection plan shall reflect the level of experience of the inspector assigned.
- 3) The Engineer will use his best judgment when allocating time of an inspector to each job. The inspector will not be assigned responsibilities on the job site when the nature of the work does not require his presence.
- 4) The Engineer will take into account the work location(s), construction time period, number of construction crews, expected level of effort required, etc., when developing the construction inspection plan and assigning inspectors.
- 5) The Engineer will manage the inspection effort in accordance with the approved plan and will notify the Owner and RD of any anticipated change or modification in the plan. Any changes in inspectors, proposed ceiling increase, or major changes in inspector assignments will not be made or effective until an amendment to the plan has been prepared and approved by all parties.
- 6) The Engineer agrees not to bill for inspection services, in excess of the ceiling amount established above, without first obtaining approval of all parties through an amendment to the plan. Detailed justification for additional time, number of inspectors, etc., will be required from the Engineer in support of any change to the original plan.
- 7) Invoices for inspection services will be based on actual hours of inspection service required and actual expenses incurred subject to the ceiling amount established above.
- 8) No RD funds or RD administered funds will be expended for resident inspection services prior to review and approval of the construction inspection plan by all parties. The Engineer will submit resumes for each inspector to be used on this project for review and approval by RD with this inspection plan. No inspector will be used on the project until approved by RD.

Finance Director's Report

RESOLUTION
by the
Vance County Board of Commissioners
Approving Financing Terms

WHEREAS, Vance County, North Carolina (the "County") has previously determined to undertake a project for Positron VIPER Power 911 Systems (the "Project"), and the Finance Officer has now presented a proposal for the financing of such Project.

NOW THEREFORE BE IT RESOLVED AS FOLLOWS:

1. The County hereby determines to finance the Project through Branch Banking and Trust Company (BB&T), in accordance with the proposal dated August 10, 2012. The amount financed shall not exceed \$448,895, the annual interest rate (in the absence of default or change in tax status) shall not exceed 1.69%, and the financing term shall not exceed five (5) years from closing.
2. All financing contracts and all related documents for the closing of the financing (the "Financing Documents") shall be consistent with the foregoing terms. All officers and employees of the County are hereby authorized and directed to execute and deliver any Financing Documents, and to take all such further action as they may consider necessary or desirable, to carry out the financing of the Project as contemplated by the proposal and this resolution. The Financing Documents shall include a Financing Agreement and a Project Fund Agreement as BB&T may request.
3. The Finance Officer is hereby authorized and directed to hold executed copies of the Financing Documents until the conditions for the delivery of the Financing Documents have been completed to such officer's satisfaction. The Finance Officer is authorized to approve changes to any Financing Documents previously signed by County officers or employees, provided that such changes shall not substantially alter the intent of such documents or certificates from the intent expressed in the forms executed by such officers. The Financing Documents shall be in such final forms as the Finance Officer shall approve, with the Finance Officer's release of any Financing Document for delivery constituting conclusive evidence of such officer's final approval of the Document's final form.
4. The County shall not take or omit to take any action the taking or omission of which will cause its interest payments on this financing to be includable in the gross income for federal income tax purposes of the registered owners of the interest payment obligations. The County hereby designates its obligations to make principal and interest payments under the Financing Documents as "qualified tax-exempt obligations" for the purpose of Internal Revenue Code Section 265(b)(3).
5. The County intends that the adoption of this resolution will be a declaration of the County's official intent to reimburse expenditures for the project that is to be financed from the proceeds of the BB&T financing described above. The County intends that funds that have been advanced, or that may be advanced, from the County's general fund, or any other

County fund related to the project, for project costs may be reimbursed from the financing proceeds.

6. All prior actions of County officers in the furtherance of the purposes of this resolution are hereby ratified, approved and confirmed. All other resolutions (or parts thereof) in conflict with this resolution are hereby repealed, to the extent of the conflict. This resolution shall take effect immediately.

This, the 10th day of September, 2012.

Position Vacancies. (A) The Sheriff's Office has two position vacancies for a *Deputy Sheriff*. This position performs general duty law enforcement work to protect life and property in the County. (B) Social Services has a position vacancy for a *Social Worker II*. This position is vital because it prevents adults from being placed in a nursing facility. This program arranges assistance through other provider agency's with personal care services, respite care, waiver supplies, home mobility aide and other services. ***Committee Recommendation:*** *[Recommendations are contingent upon endorsement by the Human Resources Committee.] Authorize the staff to fill the vacant positions as requested.*

Public Safety Committee. This committee is scheduled to meet Friday, September 7 at 3:00 p.m. A report will be provided to the Board Monday evening.

County Manager's Report

Vance County
County Manager's Report to the Board
September 10, 2012

A. Science Labs Request - NVHS. The Board of Education and Superintendent are requesting the use of the remaining funds (\$364,145) in the Clarke Elementary School project to renovate the science labs at Northern Vance High School. It is anticipated that total project costs will exceed those funds, so the remaining costs will be borne by the Schools System from its Capital Reserve Fund Balance. ***Recommendation:** Allow the Schools System to use the remaining funds in the Clarke Elementary School project in the amount of \$364,145 for renovation of science laboratory facilities at Northern Vance High School.*

B. Resolution in Recognition of Craven County. Craven County, NC will be celebrating its 300th anniversary on September 22 with a full day of activities and events in New Bern. To lend support of their efforts, Craven County officials have asked other counties to adopt a resolution in recognition of this momentous occasion. Such a resolution is enclosed. ***Recommendation:** Approve the proposed resolution in recognition of Craven County and its 300th Anniversary.*

C. Thermo King Water Line Extension Project. Costs for extension of a water line to serve Thermo King on Crawley Road are somewhat higher than initially projected in January. Both Golden LEAF and the NC Rural Center had approved grants and the County had approved the local match. Both funding agencies agreed to increase their grant allocations, leaving an additional amount of \$1,836 needed from the County for the required 5% local match. In addition, action is needed to authorize the necessary grant documents, award the low bid to H.G. Reynolds, and to approve an inter-local agreement with the City for ownership of the line. ***Recommendation:** Act to ① appropriate an additional \$1,836 from the Contingency for extension of a water line from Satterwhite Point Road along Crawley Road to Thermo King; ② authorize the Chairman and County Manager to execute the required grant and construction documents; ③ award the bid to the low bidder, H.G. Reynolds, Inc. in the amount of \$89,822; and ④ approve an inter-local agreement with the City for ownership and maintenance of the new line extension.*

D. Award of Bids for Ambulance. Three quotes were obtained from qualified vendors for a 2012 Type III diesel ambulance. The bids are as follows: Southeastern Specialty Vehicles - \$146,925; Select Custom Apparatus - \$138,628; and American Emergency Vehicles - \$134,404. ***Recommendation:** Award the bid to American Emergency Vehicles for a 2012 diesel Type III Chevrolet ambulance in the amount of \$134,404.*

E. Ambulance Charge-offs. The Board inquired as to the length of time that the County pursues collection of EMS charges from estates. A report will be presented that will include extension of the time that estates are worked before recommending charge-offs.

***Recommendation:** Act to receive as information.*

F. Agreement with Maximus Consulting Services. The County contracts with a private firm to prepare an annual central services cost allocation plan which allows reimbursement of significant federal and state funds, primarily through the Department of Social Services. The proposed three-year contract is for the same amount as the prior contract, which is \$3,300 per year. ***Recommendation:** Approve the three-year contract with Maximus for preparation of an annual central services cost allocation plan at the rate of \$3,300 per year.*

G. Register of Deeds - Automation Projects. Funds for automation projects within offices of registers of deeds are provided for through their fee schedule as approved by the NC General Assembly. Ample funds are available and no other County funds are needed for the two automation projects proposed by Carolyn Pecora, Vance County Register of Deeds. The projects are ① to scan birth, death, and marriage records and ② to redact Social Security numbers and drivers' license numbers from records that are available to the public on the Internet. ***Recommendation:** Approve the use of existing automation funds for two projects in the Register of Deeds Office totaling \$34,255.*

H. Proclamation - Fall Litter Sweep. Each year in September, the Governor and Department of Transportation identify a time frame that encourages communities to clean up the road sides and other areas as needed. September 15-19 is the time set as Fall Litter Sweep in Vance County and the Board of Commissioners is asked to approve a proclamation in support of the effort. ***Recommendation:** Adopt the proclamation to recognize the annual Fall Litter Sweep in Vance County as September 15-19, 2012.*

Dear Mr. Ayscue:

At the August 13, 2012 School Board Meeting, the Vance County Board of Education voted unanimously to request the close-out funds (approximately \$350,000) from the Clarke Elementary School project to be used to update the science labs at Northern Vance High School.

On behalf of the Board, I am seeking your approval and request that you present this to the County Commissioners at their September 10, 2012 meeting.

Thank you for your assistance.

Sincerely,

in
Celebration and Recognition
of
Craven County

WHEREAS, Craven County was created in its current form in 1712, having been a previous precinct of Bath County and then named after *William, Lord Craven*, one of the original Lord Proprietors of the Province of North Carolina; and

WHEREAS, Craven County was home to North Carolina's first capital and capitol building when its county seat, the City of New Bern, was designated as the State Capital of North Carolina in 1766; and

WHEREAS, there are many other "firsts" which occurred in Craven County, including hosting the first meeting of state legislators and the first inauguration of state officials, being home to the first banking institution in North Carolina, the first printing press, published pamphlet, newspaper and book published in the State, and many other significant events and accomplishments; and

WHEREAS, on September 22, 2012, Craven County will appropriately sponsor a noteworthy countywide celebration commemorating a long and rich history and its impressive 300th Anniversary.

NOW, THEREFORE BE IT RESOLVED THAT the Vance County Board of Commissioners does hereby recognize and sincerely congratulate the Craven County Board of Commissioners and all its citizens for reaching this historic milestone while continuing to be a thriving business and industrial center in eastern North Carolina and maintaining a high quality of life for its residents.

Grant Matching Funds

During the Board's meeting on February 6, 2012 Mr. Bill Edwards and Mr. Sam Watkins (chairman of the EDC Board) presented a proposal for extending a waterline to the new Temperature Control Solutions (Thermo King) business. The Board approved applying to the GoldenLEAF Foundation and the NC Rural Center for funding as well as approved a required match not to exceed \$3,000.

Following design of the project it was determined that required provisions from NCDOT would increase the original cost estimates. The staff has successfully worked with the granting agencies to increase their original grant awards to correspond with the increase in the cost estimate. In order for the NC Rural Center to increase its 50% share of the project cost, the County must increase their match portion by an additional amount of \$1,836. This would increase the County's match from \$3,000 to \$4,836. A similar request is being made to the City of Henderson for their match portion. See the revised budget below assuming selection of the lowest bidder.

	Original Budget	Revised Budget
Costs	Original Total	64,076.00
	Plans/Specs (add)	4,300.00
	Engineering (add)	2,600.00
	Total Costs	70,976.00
Revenue		
	Rural Center (50%)	32,038.00
	Golden Leaf	28,834.00
	City of Henderson	954.00
	Vance County	3,000.00
	Savings from Redesign	0.00
	Total Revenue	64,826.00

Request #1: Increase the County's match portion from \$3,000 to \$4,836 to secure additional grant funding and to allow the project to proceed.

Request #2: Authorize the Board Chairman to execute the necessary grant documents associated with the project and authorize the County Manager to execute the necessary documents to allow construction to proceed and be completed.

Bid Tabulations

Quotes for the waterline extension were received and opened on June 20, 2012 in the county manager's office. The submitted quotes were as follows (complete quotes are attached):

Company	Quote
H.G. Reynolds	\$ 89,822.00
McDannald Construction	\$102,767.00
G&S Contractors	\$123,894.76

Request #3: *Based upon the submitted quotes staff recommends selecting H.G. Reynolds as the contractor for completion of the waterline extension.*

Inter-local agreement

Once completed the waterline will be a part of the City of Henderson's water system. Because the ultimate owner of the line (City of Henderson) is different from the grant applicant, the NC Rural Center requires that the County enter in to an inter-local agreement with the City of Henderson. The inter-local agreement defines the ownership and maintenance of the proposed waterline. (See attached inter-local agreement).

Request #4: *Approval of the inter-local agreement with the City of Henderson defining ownership and maintenance of the proposed waterline extension.*

RE: Crawley Road Water Main Extension

Dear Mr. Ayscue:

We propose to furnish all labor, material and equipment to install the new water main extension for Crawley Road per plans and specifications for the lump sum price of Eighty Nine Thousand Eight Hundred Twenty Two Dollars (\$89,822.00).

The above price includes the following:

1. All work will be in accordance with plans and specifications prepared by John Hamme revised on 4-27-12 Sheets 1 and 2
2. We will be using a NCDOT approved shoring system at the 12" tap that will allow the sheet piling to be removed and not left in place as shown on the drawings. We will furnish to NCDOT stamped drawings for approval prior to start of the project.
3. We have included cut and patching of the asphalt drives at the Thermo King two entrances. If they are not installed in asphalt at the time of this project deduct \$4,000.00 from the above price.

Very truly yours,

STATE OF NORTH CAROLINA

COUNTY OF VANCE

THIS AGREEMENT, made and entered into this the _____ day of _____, 2012 by and between the County of Vance (hereinafter referred to as "County") and the City of Henderson (hereinafter referred to as "City").

WITNESSETH:

WHEREAS, the City operates a water system which extends from the City down the Satterwhite Point Road;

WHEREAS, Thermo King is opening a plant on the southwest quadrant of the interchange between I-85 and Satterwhite Point Road;

WHEREAS, there is presently no water available to said Thermo King site, but there is a City water main located on the eastern side of the Satterwhite Point Road at said location; and

WHEREAS, Thermo King needs water to operate its plant; and

WHEREAS, the County has applied for grants for installing a water line from the existing City line to the Thermo King site pursuant to an Economic Development Project; and

WHEREAS, the Grant provisions provide that the County is to initially own said newly constructed water line during the one year post-construction warranty period, but the same can thereafter be dedicated to the City.

NOW, THEREFORE, for and in consideration of the mutual promises herein set forth (and the reliance to be placed by each party on the performance by the other), the parties hereto agree as follows:

- (1) The County agrees to utilize its grant funds towards the construction of 460 lineal feet of 8 inch ductile iron pipe together with 150 feet of 12 inch ductile iron pipe (which latter includes boring under Satterwhite Point Road for 60 linear feet), installing a fire hydrant assembly and installing a tap sleeve and valve so as to provide water from the existing City water main to the Thermo King site – all in accordance with plans and specifications which have heretofore been approved by the City.
- (2) The County shall own said newly constructed water line during the period of its construction and for a period of one year thereafter. The City shall have the right to have said lines inspected by personnel of the City's choosing at any time during said construction and one year post-construction periods.

- (3) Upon the full completion of the construction of said water lines in accordance with the approved plans and specifications, the County hereby leases said line to the City for the sum of One Dollar (\$1.00) for a period of 365 days during which period the City agrees to be responsible for all maintenance of the same to the extent the same is not covered by the contractor's warranties. During said rental period, the City shall control all taps and have the sole authority to sell the water from said lines at rates and conditions established solely by the City.
- (4) 365 days following the full completion of the construction of said water line in accordance with said approved plans and specifications, said water lines shall be automatically dedicated by the County to the City (without the necessity of further documentation) and the City agrees to accept said dedicated water lines and agrees to continue to be responsible for the maintenance thereof following said dedication.

IN WITNESS WHEREOF, THE CITY OF HENDERSON AND THE COUNTY OF VANCE have each caused this Agreement to be executed, all pursuant to authorities given by their respective governing bodies, this the day and year first above written.

AGREEMENT TO PROVIDE PROFESSIONAL CONSULTING SERVICES

THIS AGREEMENT is entered into this ____ day of _____, _____, by and between MAXIMUS Consulting Services, Inc., a wholly owned subsidiary of MAXIMUS, Inc. (hereinafter "Consultant"), and Vance County, North Carolina (hereinafter "Client"). The parties hereto, in consideration of mutual promises and covenants, agree as follows:

- (1) Scope of Services. Consultant shall perform in a professional manner the Services detailed in Exhibit A.
- (2) Term. This Agreement shall be in effect for the term as stated in Exhibit A.
- (3) Compensation. Client shall pay Consultant a fee for services rendered as set forth in Exhibit B, incorporated herein by reference as if fully set forth as part of this Agreement.
- (4) Termination. Upon material breach of the terms of this Agreement, the non-breaching party shall provide written notice to the breaching party specifying the nature of the default. The breaching party shall 30 days (or such longer period as the parties may mutually agree upon) from the date of receipt to cure any such default prior to the effective date of termination. Any notice of default shall be delivered by certified mail or overnight courier.

Either party may terminate this Agreement without cause upon 60 days prior written notice to the other. Client shall reimburse Consultant for all reasonable costs incurred by Consultant due to such early termination.

Upon termination for whatever reason and regardless of the nature of the default (if any), Client agrees to pay Consultant in full for all goods and/or services provided to, and accepted by, Client under this Agreement, or any amendment thereto, as of the effective date of termination of the Agreement.

- (5) Services and Materials to be Furnished by Client. Consultant shall provide guidance to Client in determining the data required. The Client acknowledges and agrees that Consultant shall be entitled to rely upon the accuracy and completeness of the data provided by the Client to perform the Services. Client shall provide all such data in a timely manner sufficient to allow Consultant to provide the Services. Consultant shall have no liability to Client whatsoever if Client provides incomplete or inaccurate data or provides data in an untimely manner.
- (6) Records and Inspections. Consultant shall maintain full and accurate records with respect to all matters covered under this Agreement for 6 years

after the completion of the Services. During such period, Client shall have the right to examine and audit the records and to make transcripts therefrom. Client shall provide 30 days written notice of its intent to inspect or audit any such records and shall conduct such inspection or audit only during Consultant's normal business hours and no more than once every six months. Any employee, consultant, subcontractor or agent of Client granted access to such records shall execute a non-disclosure agreement prior to being granted such access.

- (7) Copyright for Consultant's Proprietary Software. To the extent that the Services provided by Consultant are generated by Consultant's proprietary software, nothing contained herein is intended nor shall it be construed to require Consultant to provide such software to Client. Client agrees that it has no claims of ownership, including copyright, patents or other intellectual property rights to Consultant's software. Nothing in this Agreement shall be construed to grant Client any rights to Consultant's materials created prior to the execution of this Agreement. All of the deliverables prepared by Consultant for Client included in the Services are specifically set out in Exhibit A.
- (8) Insurance. Consultant shall maintain appropriate general liability insurance, workers' compensation insurance, automobile insurance, and professional liability insurance.
- (9) Indemnification. Consultant shall defend, indemnify and hold harmless Client from and against damages, liability and costs (including reasonable attorney fees) directly caused by the negligent actions or willful misconduct of Consultant, its employees or agents. Consultant shall not be responsible for any damages or liability resulting from the negligence or willful misconduct of Client, its employees, consultants, or agents or any third party.
- (10) Limitation of Liability. Client agrees that Consultant's total liability to Client for any and all damages whatsoever arising out of or in any way related to this Agreement from any cause, including but not limited to contract liability or Consultant's negligence, errors, omissions, strict liability, breach of contract or breach of warranty shall not, in the aggregate, exceed the amounts actually paid to Consultant in the first 12 month period of the Agreement.

In no event shall Consultant be liable for indirect, special, incidental, economic, consequential or punitive damages, including but not limited to lost revenue, lost profits, replacement goods, loss of technology rights or services, loss of data, or interruption or loss of use of software or any portion thereof regardless of the legal theory under which such damages are sought even if Consultant has been advised of the likelihood of such

damages, and notwithstanding any failure of essential purpose of any limited remedy.

Any claim by Client against Consultant relating to this Agreement must be made in writing and presented to Consultant within 1 year after the date on which Consultant completes performance of the services specified in this Agreement.

- (11) Consultant Liability if Audited. The Client represents that all financial and statistical information provided to Consultant by Client, its employees and/or agents is accurate and complete to the best of Client's knowledge. Consultant shall, upon notice of audit, make work papers and other records available to the auditors. Consultant's sole responsibility under an audit shall be to provide reasonable assistance to the Client through the audit and to make those changes to the work product as required as a result of the audit. Consultant shall not be liable for any audit disallowances or any missed or lost revenue associated with, or related to, the Services.
- (12) Notices. Any notices, bills, invoices, or reports required by this Agreement shall be sufficient if sent by the parties in the United States mail, postage paid, to the address noted below:

Such notice shall be deemed delivered 5 days after deposit in the U.S. mailbox.

- (13) Changes. The terms of this Agreement may be changed only by written agreement signed by both parties.
- (14) Miscellaneous.

- a. There are no third-party beneficiaries to this Agreement and nothing in this Agreement shall be construed to provide any rights or benefits to any third-party.
- b. The parties intend that Consultant, in performing the Services specified in this Agreement shall act as an independent contractor and shall have full control of the work and the manner in which it is performed. Consultant and Consultant's employees are not to be considered agents or employees of Client for any purpose.
- c. In the event that any provision of this Agreement is held to be invalid, illegal or unenforceable for any reason, this Agreement will continue in full force and effect without said provision, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby, and this Agreement will be interpreted to reflect the original intent of the parties insofar as possible. .d. The titles of the sections, subsections, and paragraphs set forth in this Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of the provisions of this Agreement.
- e. This Agreement and any additional or supplementary document or documents incorporated herein by specific reference contain all the terms and conditions agreed upon by the parties hereto, and no other agreements, oral or otherwise, regarding the subject matter of this Agreement or any part thereof shall have any validity or bind any of the parties hereto.
- f. Neither party shall be liable hereunder by reason of any failure or delay in the performance of its obligations hereunder on account of strikes, shortages, riots, insurrection, fires, flood, storm, explosions, earthquakes, acts of God, war, governmental action, labor conditions, material shortages or any other cause which is beyond the reasonable control of such party.
- g. Each individual signing this Agreement certifies that (i) he or she is authorized to sign this Agreement on behalf of his or her respective organization, (ii) such organization has obtained all necessary approvals to enter into this Agreement, including but not limited to the approval of its governing board, and (iii) when executed, this Agreement is a valid and enforceable obligation of such organization.
- h. Waiver by either party of a breach of any provision of this Agreement or the failure by either party to exercise any right hereunder will not operate or be construed as a waiver of any subsequent breach of that provision or as a waiver of that right.

IN WITNESS WHEREOF, the Client and the Consultant have executed this Agreement as of the date first written below.

EXHIBIT A
Term and Scope of Services

This Agreement shall become effective on July 1, 2012 and shall continue in full force and effect until April 15, 2016, unless extended by amendment or as indicated in Exhibit B.

Consultant represents that it has, or will secure at its own expense, all personnel required in the performance of Services under this Agreement. All of the Services required hereunder will be performed by Consultant or under its supervision, and all personnel engaged in the work shall be fully qualified to perform the services described herein. Consultant shall commence, carry on, and complete the Services with all practicable dispatch, in a sound, economical, and efficient manner, in accordance with the provisions herein and all applicable laws.

Consultant reserves the right to subcontract for Services hereunder. Consultant agrees to notify Client in writing of any such subcontracts.

Scope of Services:

- a) Development of a central services cost allocation plan, which identifies the various cost incurred by the County to support and administer programs that provide services directly to citizens. This plan will contain a determination of the allowable cost of providing each supporting services such as purchasing, legal counsel, disbursement processing, etc.
- b) Negotiation, of the completed cost allocation plan, with the representatives of the State or federal government, whichever is applicable.

EXHIBIT B

Compensation

For services provided as set forth in Exhibit A, Client agrees to pay Consultant compensation in the amount of Three Thousand Three Hundred Dollars, (\$3,300) per fiscal year for the Cost Allocation Plan.

Payment of the standard fee which shall include reimbursement for expenses incurred shall be made in one installment due upon delivery of the final plan. Invoices shall provide detail sufficient to Client's requirements.

Consultant will render to Client one or more invoices for the fees specified herein, with payment due thirty (30) days after the invoice date.

Re: Redaction Proposal

Dear Ms. Pecora:

Logan Systems has previously provided your office with a proposal for the redaction of social security numbers and driver's license numbers from the records made available to users of the Internet site for your office. With the completion of our most recent back file conversion, and the manual redaction performed by your office, I understand that you are interested in the redaction of images for book 862 to current.

Logan Systems has completed conversion projects that increase the number of images available to users on the Internet. Scanned index books from 1881 to current would be available both in your office and on the Internet. In addition, images have also been converted. With these additional images converted, additional redaction could also be completed back to 1935 (the year that social security numbers began). For now, our quote only covers the images from book 862, which starts on August 12, 1999.

Through the use of Optical Character recognition (OCR) and sophisticated rule sets, Logan Systems could redact potential identity theft items such as social security numbers and driver's license numbers. In an effort to address this concern several years ago, the North Carolina legislature passed the Identity Theft Protection Act, which required Registers to redact a defined list of items off the Internet site if requested by a qualified person (basically the person whose information was on the document). However, since this time, there have been very few people that have requested that personal information on these documents be reacted pursuant to that statute.

This Identity Theft Protection Act did not address the proactive redaction of social security numbers off of documents made available on the Internet. There was some disagreement among Registers as to whether the Register had the legal right to remove social security numbers and other personal information. In 2009, the legislature clarified that a Register may proactively remove social security numbers and driver's license numbers from the records made available to the public on an Internet site. Logan

Systems proposes to redact all social security numbers and driver's license numbers from the land records displayed on your remote access site from book 862 to current.

In addition, we are offering a solution for day-forward filings in your office. If you redact the books covered by this proposal, we will redact day-forward filings on a periodic basis at no additional fee, so long as your office is paying the per month fee for the Internet site. Your current pricing includes the Internet site access and this would not result in an increase of your current fees.

Logan Systems' Redaction Experience

Logan Systems is very experienced in the redaction of social security numbers from documents. I was a member of the Redaction Workgroup that made recommendations to the Virginia legislature with regard to redaction rules and policies. These recommendations were enacted into law and Logan Systems was the first vendor to redact information from our customer's records in Virginia. We have already completed the redaction of social security numbers for all of our Virginia accounts, having processed more than thirty million images for redaction. We have also completed the redaction project for some of our North Carolina customers, including Cumberland, Cabarrus, Lee, Ashe, Alleghany, Martin and Catawba.

Logan Systems' process for redaction utilizes OCR (Optical Character Recognition) technologies combined with sophisticated rule sets to identify not only all apparent social security numbers and other personal information, but also pages that contain contextual clues for personal information. This allows Logan Systems to maximize the accuracy of our process. Our experience shows that you need to have a human review of the documents beyond the software to achieve high levels of accuracy. Logan Systems will manually review all images in which:

- The software found personal information, such as a social security number;
- The software found a potential clue that personal information might be on the page;
- The software found a context clue, even though there is no apparent personal information;
- Signature pages of all documents (in an effort to find hand written numbers that would not be detected by OCR technology such as social security numbers)
- Documents in which the software found neither a social security number nor a clue, but that we put on a list to always be manually reviewed (federal tax liens, certain judgments, death certificates, powers of attorney, etc.)

Logan Systems tested accuracy rate exceeds all Virginia guidelines. (North Carolina does not have any state redaction guidelines). Our calculations of accuracy are based on the sample images for each locality that we use for the writing of custom rules for that locality. Our experience indicates that we will redact over 99% of identifying information through our redaction process.

I anticipate that we can complete the redaction project approximately 180 days after given the approval for starting. Our fees for the project will be based on the actual number of images to process, and will be tiered for volume. This means that we will provide you with a discount for all images over 500,000 as follows:

- Initial image analysis and rule writing: \$2,500.00
- First 500,00 images: \$.04 per image
- Images 500,001 to 1,000,000: \$.039 per image
- Images 1,000,001 to 2,000,000: \$.038 per image

Based on our review of the images in your office, you have approximately 365,000 images from book 862 through June 30, 2012. (We will not include any images after July 1, 2012 in the image count, as they will be considered part of the day-forward project that we will complete for no fee. Therefore, our fee for redaction will of these images would be **\$17,100.00** based on the tiered pricing described above.

Need images

If you later decide to have Logan Systems redact any of the older images, our per unit fees discussed above will apply. The images redacted in this proposal would be counted in the tiered pricing.

We can complete this project this fiscal year. I would be happy to demonstrate our redaction process to you and your staff and answer any additional questions that you have.

Sincerely,

Craig Sanders

Re: Proposal for Conversion Services

Dear Ms. Pecora:

Logan Systems proposes to convert certain vital records that cannot be converted by your staff because of the quality of the original records or the coloring of the original records. Based on your request, we propose to convert the following vital records:

- Birth books on blue/grey paper (23 books)
- Delayed birth books on pink/yellow paper (13 books)
- Death books on blue/grey paper (8 books)
- Death books on pink/yellow paper (47 books)
- Marriages covering 1913 to 1961 (various sizes and quality of original)

Based on our survey, the blue/grey records will be the most difficult to work with and will require certain image enhancement tools after the original scanning. The marriage records will also require image enhancement after the scanning. The pink and yellow records may be scanned with image settings during the initial scan that do not require further enhancement conversion after scanning. However, these books may also require additional conversion after the initial scanning. Our pricing reflects the difficulty in working with each type of image, and the fact that the birth books contain more pages than the death books.

Logan Systems will convert these books in the same manner and quality control as all of our previous conversion projects. The end result should be a black and white image that can be used for both certified and non-certified prints. If the images cannot be converted at a high enough quality as black and white images, we do have the option of keeping certain colors in the final product, but we know that you prefer the black and white image so that all images and certified prints will look the same.

Our pricing will be as follows:

- 23 birth books on blue/grey paper @ \$250 per book = \$5,750
- 13 delayed birth books on yellow/pink/white paper @ \$100 per book = \$1,300
- 8 death books on blue/grey paper @ \$145 per book = \$1,160

- 47 death books on yellow/pink/white paper @ \$60 per book = \$2,820
- Marriages from 1913-1961 = \$6,125 total for all years

If all of the projects are undertaken, the total fee would be \$17,155.00. Logan Systems would be willing to do any portion of the project and the fees will remain the same as listed above.

I hope that this letter adequately addresses all of your questions regarding this matter. Please contact me at your earliest convenience with any additional questions or comments at the toll free number listed above. We appreciate your business and look forward to completing these conversions for your office.

Sincerely,

Craig Sanders
President

by the
Vance County Board of Commissioners
in
Recognition of the 2012 Fall Litter Sweep

WHEREAS, Vance County, in conjunction with the North Carolina Department of Transportation, supports the participation in the Fall roadside cleanup effort to ensure clean and beautiful roads throughout the county; and

WHEREAS, the Fall 2012 Litter Sweep roadside cleanup will take place September 15 - 19, 2012. The County encourages communities, civic and professional groups, businesses, churches, schools, families, and individual citizens to participate in the cleanup effort by sponsoring and organizing roadside cleanup teams; and

WHEREAS, Adopt-A-Highway volunteers, community service workers, community leaders, civic and community organizations, businesses, churches, schools, and environmentally concerned citizens conduct local cleanups during Litter Sweep and may receive Certificates of Appreciation for their participation; and

WHEREAS, the great natural beauty of our State and County in addition to a clean environment are a source of great pride for all Vance County residents, attracting tourists and aiding in the recruiting of new industries; and

WHEREAS, the cleanup effort will increase the awareness of the need for cleaner roadsides, emphasize the importance of anti-litter campaigns, and encourage the recycling of solid wastes; and

WHEREAS, the Litter Sweep cleanup will be a part of educating the children of the County regarding the importance of a clean environment to the quality of life in Vance County.

NOW, THEREFORE BE IT PROCLAIMED, that the Vance County Board of Commissioners does hereby recognize September 15 - 19, 2012 as "Fall Litter Sweep" in Vance County and encourages citizens to take an active role in making this community a cleaner place.

THIS, the 10th day of September, 2012.

County Water Project. *Phase 1A.* On Monday, July 9, construction of Phase 1A began. According to H.G. Reynolds Construction Company, they expect to complete an average of about 500 feet of water line construction each day, depending upon the size of the pipe. Construction has gone from the meter vault area near the John Deere dealership to the intersection of Warrenton Road and Brookston Road; all of Vincent Hoyle Road has been completed; construction work on both ends of Stewart Farm Road is nearing completion; and During August, an additional 35 sign-ups were received. As of the end of August, a net total of 745 customers have been enrolled. Some of the new sign-ups require adding more roads which has led to change orders to the construction contract, and those to-date will be presented to the Water Board on September 10 for approval. (This is anticipated to be an ongoing process.) Site work for the overhead water tank is set to begin later this week or next week. *Phase 1B.* The Kittrell Water Association and USDA Rural Development continue to work together to seek funding for Phase 1B, consistent with action taken by the Commissioners in December 2009. *Phases 2A & 2B.* Funding from USDA Rural Development has been established for both of these phases. Phase 2A will be funded with \$2.2 million in loans and \$1.62 million in grants. Phase 2B has \$3.94 million in loans and \$1.99 million in grants. The Board of County Commissioners and the Water District Board approved the water purchase/sales agreement with the City of Henderson on July 23rd. The executed agreement has now been approved by USDA Rural Development. USDA Rural Development has been notified that the ARRA funds must be spent on an accelerated schedule with construction beginning by September 30, 2012, unless a waiver is obtained. This represents a three-year difference in time (previously September 30, 2015). An extension (waiver) request regarding the deadline was submitted to USDA Rural Development to ensure that the project can be appropriately completed in the Spring. District and state USDA RD officials are highly supportive of granting an extension, but the final decision is to be made at the federal level. Thus far, we have not received notification of waiver approval. Project design is complete and has been submitted to the appropriate regulatory agencies. Permit applications have been submitted. Highway right-of-way encroachment agreements with NC DOT have been prepared for execution. Submission of application information to USDA Rural Development is currently being done for both phases. A potential site for a second water tank in the area covered by Phase 2A has been identified and surveyed. Due to the timing of the funding of Phases 2A & 2B, it will be important that work on these phases begin as soon as possible. The approved O&M services contract will cover Phases 2A and 2B in addition to 1A. Additional sign-ups remain essential in Phases 2A and 2B due to the current lack of substantial customer concentration. A mass mail-out went to potential customers in 2A and 2B at the end of August, and there have been a lot of inquiries in the first few days of September Finance Officer those two phases. During August, 5 additional sign-ups for were received for Phase 2A and 11 for 2B. Current sign-up totals are 335 for Phase 2A and 345 for Phase 2B.

(NOTE –Although blog hits are down from May and June when we finished the Weight Loss Challenge, they actually exceed the numbers for March and April when this year's challenge began. When comparing numbers for 2011 total and 2012 to date, unique and first time visitor numbers have already surpassed the numbers for the entire 2011 year.

Since the Weight Loss Challenge started this is a very low cost way to have an on-line presence and promote healthy behaviors, as well as to communicate with residents about future efforts at the appropriate time).

Monthly Activities Report for the Information Technology Department

August 2012

Kevin M. Brown, IT Director.

1. Worked with ATCOM and county department heads to prepare for migration of old phone system onto new phone system. Worked to overcome problems with connectivity required at DSS to ensure reliable phone service.
2. Connected DSS to the county WAN and setup firewall and threat management to handle specific needs of DSS.
3. Installed new switches in e911 and prepared for setting up redundant server system with the new failover site. Specified and quoted hardware for the new servers.
4. Assisted with the installation and setup of the new canteen management software (Oasis) at the jail, including the installation of a new database server.
5. Fixed email issues at the tax office with 2 different users by installing new software for easier email access.
6. Repaired printing issues at the jail and sheriff's office to accommodate new canteen application.
7. Replaced monitors for the Medicare billing computer.
8. Setup firewall/security for EMS/Fire Dept.
9. Installed new BackUPS units in DSS for the new phone system installation.
10. Completed migration of the sheriff's dept. off of the state ITS connections to the new fiber lines provided by TWC.
11. Continued installing CSI remote access software on various county computers to enable access to the new financial package.
12. Attended and conducted meetings at DSS with ATCOM to finalize details for the installation of the new phone system.
13. Continue preparing county sites to the wide area network in preparation for the phone system installation and shared Internet access.

14. Continue to review phone usage and billing information to find unused or canceled circuits throughout the county.
15. Continue to review Internet usage to identify possible bandwidth and security issues.
16. Regular monitoring of the main firewall that includes content filtering, intrusion prevention, application control and gateway AV and malware protection.
17. Monitor the anti-virus servers for possible virus problems.
18. Continue to assist employees in the use of the content management system.
19. Continued to perform internal and external network security vulnerability checks.
20. Continued daily monitoring of server and firewall logs and backup jobs.
21. Continued migration of the logical network numbering scheme to a new scheme that will accommodate the Wide Area Network and VOIP phone system.
22. Continued ongoing research into regulatory and legal concerns regarding data security for government entities.
23. Helped users upload documents to the CMS and make those documents available to the public.
24. Setup and test secure wireless access for future use at the courthouse facility.
25. Performed additional day to day troubleshooting and repairs on various issues as required and continue to repair lingering issues from pre-existing problems.

Affirmation of Eligibility:

Has any formal charge of professional misconduct, criminal misdemeanor or felony ever been filed against you?

Yes _____ No ☒ If yes, please explain disposition: _____

Is there any conflict of interest or other matter that would create problems or prevent you from fairly and impartially discharging your duties as an appointee of the Board of Commissioners? Yes _____ No ☒ If yes, please explain: _____

I understand that any situation which may arise to cause conflict of interest may create serious ethical or legal implications if appropriate discretion is not exercised or responsible action is not taken.

I understand this application is public record and I certify that the facts contained in this application are true and correct to the best of my knowledge. I authorize and consent to background checks and to the investigation and verification of all statements contained herein as deemed appropriate. I further authorize all information concerning my qualifications to be investigated and release all parties from all liability for any damages that may result from this investigation. I understand and agree that any misstatement may be cause for my removal from any Board/Commission/Committee. I understand regular attendance to any Board/Commission/Committee is important and, accordingly, I further understand that if my attendance is less than the standards established for any such body that this is cause for removal. Lacking any written standards for attendance by any Board/Commission/Committee it is expected that I will attend at least 75% of all meetings during any one calendar year to maintain my seat on any Board/Commission/Committee to which I may be appointed. This form will remain on file in the Office of the Clerk and requests for updates will be sought prior to any consideration for reappointment (or future appointment) to any Board/Commission/Committee.

Affirmation of Eligibility:

Has any formal charge of professional misconduct, criminal misdemeanor or felony ever been filed against you?
Yes _____ No X if yes, please explain disposition:

Is there any conflict of interest or other matter that would create problems or prevent you from fairly and impartially discharging your duties as an appointee of the Board of Commissioners? Yes _____ No ♦♦
if yes, please explain: _____

I understand that any situation which may arise to cause conflict of interest may create serious ethical or legal implications if appropriate discretion is not exercised or responsible action is not taken.
I understand this application is public record and I certify that the facts contained in this application are true and correct to the best of my knowledge. I authorize and consent to background checks and to the investigation and verification of all statements contained herein as deemed appropriate. I further authorize all information concerning my qualifications to be investigated and release all parties from all liability for any damages that may result from this investigation. I understand and agree that any misstatement may be cause for my removal from any Board/Commission/Committee. I understand regular attendance to any Board/Commission/Committee is important and, accordingly, I further understand that if my attendance is less than the standards established for any such body that this is cause for removal. Lacking any written standards for attendance by any Board/Commission/Committee it is expected that I will attend at least 75% of all meetings during any one calendar year to maintain my seat on any Board/Commission/Committee to which I may be appointed. This form will remain on file in the Office of the Clerk and requests for updates will be sought prior to any consideration for reappointment (or future appointment) to any Board/Commission/Committee.
