FREE ADMISSION

Elisabeth Von Trapp, world-renowned singer and granddaughter of the Von Trapp Family who inspired "The Sound of Music," will be performing at Holy Innocents on **Valentine's Day**, Thursday, February 14th at 7:00 p.m. The free hour-long concert will be performed in the church sanctuary.

Singing professionally since childhood, Elisabeth has enthralled audiences from European cathedrals to Washington's National Cathedral, to the Kennedy Center, and to hundreds of performance halls and churches across the United States. She has been the featured musician at the last two Episcopal General Conventions.

Elisabeth was born and raised in Vermont and is the granddaughter of the legendary Maria and Baron von Trapp, whose story inspired the "The Sound of Music." She has carried on the legacy of the internationally renowned Trapp Family Singers. Building on her family's passion for music, she has created her own artistic style, ethereal, earthy, delicate, and powerful. Her voice has been likened to Judy Collins and Loreena McKennitt. Critics have called her voice "hauntingly clear," "joyfully expressive," and "simply beautiful."

Elisabeth's concert repertoire ranges from Bach to Broadway, Schubert to Sting, Rodgers and Hammerstein's "Favorite Things" and "Edelweiss," soaring gospel tunes, and pop classics. Our own choir including special guest Don Lowery will join her at the end of her concert for two well known favorites.

The concert is a special project of the Vestry's Evangelism Committee in hopes of promoting fellowship within our own church and throughout the Henderson community. Your support will help to insure its success!
