Vance COUNTY

NORTH CAROLINA

Planning and Development Department

www.vancecounty.org

156 Church Street, Suite 3
Henderson, NC 27536

TO: Board of Commissioners
FROM: Planning and Development Department
SUBJECT: Required Flood Damage Prevention Ord. Amendment
DATE: March 11, 2013

Ph: (252) 738-2091
Fax: (252) 738-2089

Amendment Background

The proposed amendment to the County's Flood Damage Prevention Ordinance (FDPO) is a federally mandated change and is necessary in order to incorporate the newly revised Flood Insurance Study (FIS) and Flood Insurance Rate Map (FIRM) for Vance County into the FDPO.

The proposed date change amendment to the FDPO will meet the technical requirements requested by FEMA and the State Floodplain Mapping Program. Vance County must adopt a revised FDPO that specifically references the April FIRM prior to April 16, 2013

Program Background

The National Flood Insurance Act adopted in 1968 established the National Flood Insurance Program (NFIP) and mandated that mapping of flood prone areas while making flood insurance available to communities that met floodplain management requirements. One such requirement for communities participating in the NFIP is to adopt and enforce a flood damage prevention ordinance of which Vance County is in compliance (See attachment for other basic requirements). As a result of having that ordinance in place and being in compliance with NFIP requirements, residents are afforded the opportunity to purchase flood insurance if they are located in a flood prone area.

Following Hurricane Floyd in 1999, FEMA designated NC as a Cooperating Technical State which formalized a partnership to modernize flood maps and resulted in the creation of the NC Floodplain Mapping Program. The NC Floodplain mapping program last finalized updates to floodplains within Vance County in 2007 and has begun the update process which should be finalized in the 2014-2015 timeframe.

As a result of the update process being completed in Franklin County, additional floodplains and flood elevations were created for the Tar River on our southern border resulting in a change to the Vance County flood maps. This has created a "physical map revision" to the Vance County flood maps and is therefore required that the County make a minor change to its flood damage prevention ordinance to continue compliance with the NFIP program.

Required Change

The County has been given revised floodplain maps which have an effective date of April 16, 2013. In order to maintain compliance with the NFIP, the county must amend the ordinance changing the FIRM effective date from April 16, 2007 to April 16, 2013. This date change will be necessary within Article 2: Definitions (2 instances) and within Article 3 – Section B (2 instances). Additionally, the county must adopt the updated FIRM. The draft ordinance is attached.

Request

Approval of resolution adopting the updated Flood Insurance Study, Flood Insurance Rate Maps and amending the flood damage prevention ordinance to reflect the effective date of the new Flood Insurance Rate Maps to continue compliance with NFIP provisions.

What is the National Flood Insurance Program?

The National Flood Insurance Program (NFIP) was created by Congress in 1968 to protect lives and property and to reduce the financial burden of providing disaster assistance. The NFIP is administered by the Federal Emergency Management Agency (FEMA). Nationwide, over 20,000 communities participate in the NFIP—nearly all of North Carolina's flood-prone communities participate.

The NFIP is based on a mutual agreement between the federal government and communities. Communities that participate agree to regulate floodplain development according to certain criteria and standards. The partnership involves:

- **Flood hazard maps.** In partnership with FEMA, the state produces flood maps in accordance with FEMA standards. The maps are used by communities, insurance agents and others.
- **Flood insurance.** Property owners in participating communities are eligible to purchase federal flood insurance for buildings and contents.
- **Regulations.** Communities must adopt and enforce minimum floodplain management regulations so that development, including buildings, is undertaken in ways that reduce exposure to flooding.

To learn more about the NFIP, including your potential flood risk and the approximate cost of a flood insurance policy, go to FEMA's FloodSmart website www.floodsmart.gov

Community Responsibilities

To participate in the National Flood Insurance Program, your community agrees to:

- **Adopt and enforce** a flood damage prevention ordinance.
- **Require** permits for all types of development in the floodplain (see page 31).
- **Assure** that building sites are reasonably safe from flooding.
- **Establish** Base Flood Elevations (BFE) where not determined by FEMA.
- **Require** new or substantially improved homes and manufactured homes to be elevated above the BFE.
- **Require** non-residential buildings to be floodproofed or elevated above the BFE.
- **Determine** if damaged buildings are *substantially* damaged.
- **Conduct** field inspections; cite and remedy violations.
- **Require** surveyed elevation information to document compliance (see pages 40, 41, and 42).
- **Carefully consider** requests for variances.
- **Resolve** non-compliance and violations.
- **Advise and work** with FEMA and the state when updates to flood maps are needed.

NATIONAL
FLOOD
INSURANCE
PROGRAM

VANCE COUNTY
AMENDMENT TO THE CODE OF ORDINANCES: CHAPTER 153
FLOOD DAMAGE PREVENTION

WHEREAS, Vance County joined the National Flood Insurance Program and began enforcing a Flood Damage Prevention Ordinance on September 2, 1997; and

WHEREAS, the State of North Carolina Division of Emergency Management, Floodplain Management Branch, in cooperation with the Federal Emergency Management Agency (FEMA), has updated portions of the Vance County Flood Insurance Rate Maps and Flood Insurance Study; and

WHEREAS, Vance County received the revised preliminary maps and study on January 29, 2010; and

WHEREAS, pursuant to the NFIP regulations, an appeal and protest period was provided and has elapsed; and

WHEREAS, Vance County, as a condition of eligibility in the NFIP, must adopt the revised maps, study, and ordinance by April 16, 2013; and

WHEREAS, the Board feels that the proposed amendment is necessary in order to provide protection to property owners and businesses from the dangers of flooding.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS, that:

A. The following Flood Insurance Study and Flood Insurance Rate Maps are hereby adopted.

- 1) Flood Insurance Study Number 37181CV000B.
- 2) Flood Insurance Rate Map numbers: 3720184800L, 3720185700L, 3720185800L, 3720186700L, 3720186800L, 3720187700L, 3720187800L.

B. The Vance County Flood Damage Prevention Ordinance be amended as follows (additions shown in underlined italics print, deletions shown with strike through):

- 1) AMEND Section 153.05 – Definitions as follows:

POST-FIRM. Construction or other development for which the start of construction occurred on or after the effective date of the initial flood insurance rate map for the site (initial FIRM for Vance County - Unincorporated Area is July 16, 1991, revised/updated FIRM April 16, ~~2007~~ 2013).

PRE-FIRM. Construction or other development for which the “start of construction” occurred before the effective date of the initial Flood Insurance Rate Map for the site (initial FIRM for Vance County - Unincorporated Area is July 16, 1991, revised/updated FIRM April 16, ~~2007~~ 2013).

- 2) AMEND Section 153.07 (A) and (B) as follows to update the effective date of the Flood Insurance Study and Flood Insurance Rate Maps:

(A) The Special Flood Hazard Areas are those identified under the Cooperating Technical State (CTS) agreement between the State of North Carolina and FEMA in its Flood Insurance Study (FIS) and its accompanying Flood Insurance Rate Maps (FIRM), for Vance County dated April 16, ~~2007~~ 2013, which are adopted by reference and declared to be a part of this chapter.

(B) Special Flood Hazard Areas also include those identified by Vance County in its FIRMS, dated April 16, ~~2007~~ 2013 which with accompanying data are adopted by reference and declared to be part of this chapter. Within the identified special flood hazard areas the provision of this chapter applies to new construction, as defined in this chapter.

C. The above amendments are effective upon adoption of this ordinance.

Adopted this ____th day of March, 2013.

Northern Vance Engineering Team Wins Prize For Innovation Contest

Photo Courtesy of The Daily Dispatch

The Northern Vance High School Engineering Team won the Prize for Innovation contest through the N.C. State University's Institute for Emerging Issues.

The award was announced at the Emerging Issues Forum on February 12 in the Raleigh Convention Center in Raleigh. N.C. Gov. Pat McCrory presented the five-student team with the award.

Members of the team, led by Dr. Jeff Arthurs, an engineering and architecture instructor at Northern Vance, are Justin Care, Ray Cheever, Dylan Grissom, Nick Sharpe and Amber Stevenson.

They won the award over four other finalists representing high schools from across North Carolina. The additional finalists included two student teams from the N.C. School of Science and Math in Durham, a student team from Hillside High School in Durham, and a student team from Havelock High School in Havelock.

The team's entry in the contest was the Sirocco Innovative Computer Cleaner, a device designed to dislodge and remove dust interfering with a computer's critical functioning parts. A local company, Salare Inc., assisted the students in building a prototype of their invention.

With their Prize for Innovation award, the team receives a \$5,000 cash award to use toward the development of their Sirocco creation.

In the competition, the Northern Vance team submitted a contest application, essays about their work and a PowerPoint file that included pictures of their creation. Once the team was chosen as a finalist for the award, they had to develop and submit an approximately three-hour video to illustrate their innovative idea. The video was placed on You Tube on January 25 for public viewing. The final part of the contest involved online voting for the five finalist teams. The Institute for Emerging Issues has reported that over 12,000 votes were cast in the online balloting, with the Northern Vance team receiving approximately 6,000 of those votes to easily out distance the other teams.

Name of Organization: Tax Administrator

Purpose of appearance: Present 2012 Business Personal Property Appeal from
Maria Parham Medical Center

Request of Board: See Attached Recommendation

2012 Business Personal Property Appeal

CASE DATE/TIME: 03/11/2013

ACCOUNT REF#: 24911

OWNER/BUSINESS NAME: DLP Maria Parham Medical Center

Business Personal Property

DATE OF APPEAL: 12/18/2012

OPENING STATEMENT: Business personal property value 21,326,662.

Appellant statement of reason (s) for the appeal:

Appellant is appealing the value of the business personal property.

The appellant states that the assessor is not required to use historical cost, less depreciation to find the market value of the equipment. They also stated that the mandate to the assessor is to value property at its market value. Assessing this property at the price at which it was purchased accomplishes this purpose whereas the comparables prepared by the auditor or not.

STAFF REVIEW:

The Vance County Tax Office uses the Department of Revenue Schedules of Value to value business personal property in Vance County. The Department of Revenue uses the Cost Approach to value. In using the cost approach we must have the historical cost of the equipment. The appellant states the value of the business personal property should be 12,314,106.

ASSESSOR'S RECOMMENDATION:

The assessor recommends that the business personal property value stands as is 21,326,662. The assessor office also recommends that the appellant gives us the historical cost of the equipment.

WHEREAS, the Owner is a North Carolina Water District organized pursuant Article 6 of N.C.G.S 162A providing water service to the residents of the District, and

WHEREAS, the Owner owns certain water assets that are more fully described in Exhibit A (attached hereto and incorporated herein to this Agreement), and

WHEREAS, the Owner is required under the laws of the State of North Carolina to provide the managerial, technical, financial, operational and maintenance capabilities as a condition of ownership of the water distribution system, and

WHEREAS, the Owner has Authority under the laws of the State of North Carolina and desires to enter into a professional services contract for the management, technical, operational and maintenance of the water distribution system described in Exhibit A, and

WHEREAS, Envirolink is in the business of providing the managerial, technical, financial, operational and maintenance services to utility owners, and

WHEREAS, Envirolink is capable of operating, maintaining and managing the Owner's water distribution system, and

WHEREAS, Owner desires to engage Envirolink to provide such professional services, and

NOW THEREFORE in consideration of the mutual promises and of the rights, powers and duties hereinafter set forth to be performed by each, Owner and Envirolink mutually agree to the following terms and conditions.

ARTICLE 1: DEFINITIONS

Definitions: As used in this Agreement, the terms listed in this Article shall have the following meanings:

A. **“Additional Services”** shall mean those Utility Operation, Management and Maintenance Services that are not included in the Scope of Services as set forth in Exhibit B (attached hereto and incorporated herein to this Agreement).

B. **“Certified Operator” or “Operator”** shall mean personnel, employees or agents of Envirolink certified by the North Carolina Department of Environment and Natural Resources (“DENR”) Water Operators Certification Board to operate and maintain water supply, wastewater purification and related facilities.

C. **“Contract Start Date”** shall be when both parties have executed this agreement in full.

D. **“Facilities” or “Facility”** shall mean the Vance County Water District’s Water Distribution System.

E. **“Operation, Management, and Maintenance Services” or “Scope of Services” or “Services”** shall mean those professional services provided by Envirolink to the Owner as set forth in Article 2 and in Exhibit B.

F. **“Operation Start Date”** shall be when the Water District’s General Contractor completes the construction and installation of the Water Facilities and the Water District accepts the Water Facilities and the North Carolina Department of Natural Resources has authorized the operation of the water system.

G. **“Start-up Period”** shall mean that period between the Contract Start Date and the Operation Start Date. Envirolink shall not be entitled to compensation or be obligated to provide services during this period unless authorized by the County. If authorized by the County, Envirolink shall be entitled to receive payment for services provided in accordance with Exhibit D – Contract Line Item 0003.

G. **“State”** shall mean the State of North Carolina.

H. **“Uncontrollable Circumstance”** shall include, without limitation, earthquake, hurricane, tornado, tropical storm, flood, ice storm, explosion, fire, lightning, landslide, and other similarly cataclysmic occurrences.

I. **“Water Facilities”** shall mean the water assets described in Exhibit A.

ARTICLE 2 - SCOPE OF SERVICES BY ENVIROLINK

Owner engages Envirolink and Envirolink agrees to be engaged by Owner to provide the Scope of Services, as set forth in Exhibit B (attached hereto and incorporated herein to this Agreement) and to be performed in accordance with the terms and conditions set forth herein.

In addition to the Scope of Services, Envirolink may perform Additional Services at the written request of the Owner, or Envirolink may perform Additional Services if such Additional Services are needed as a result of an Uncontrollable Circumstance or the existence of an unanticipated circumstance, situation or event not included in the Scope of Services and

requiring immediate attention. Envirolink shall be paid for such Additional Services on the basis set forth in Article 7.

ARTICLE 3 – RESPONSIBILITIES OF OWNER

Owner shall provide Envirolink with the items and assistance set forth in Exhibit C (attached hereto and incorporated herein to this Agreement), in accordance with the terms and conditions set forth herein.

Owner shall provide compensation and payment to Envirolink in accordance with the terms and conditions set forth in Article 7.

ARTICLE 4 – INDEPENDENT CONTRACTOR

Envirolink shall be deemed to be an independent contractor. Envirolink shall have no power or right to enter into contracts or commitments on behalf of the Owner unless specifically authorized in writing by the Owner to do so.

ARTICLE 5 – TERM OF AGREEMENT

Subject to the other provisions of this Agreement, the initial term of this Agreement shall be for a period beginning on the Contract Start Date and ending on the fifth (5th) anniversary of the Operation Start Date (“Initial Term”). Thereafter, this Agreement shall be automatically renewed for an additional term of five (5) years, unless canceled in writing by either party no less than one hundred and twenty (120) days prior to expiration of the Initial Term. The Owner shall turn the Facilities over to Envirolink on the Operation Start Date, free and clear of the rights of any other operator thereof, and Envirolink shall commence providing the Services on said Operation Start Date.

Provided however, should Envirolink’s services be needed prior to the Operation Start Date, the County shall engage Envirolink under the Start-Up Period provision, as defined in Article 1 and Envirolink shall be entitled to payment as set forth in Article 7 and Exhibit D – Contract Line Item 0003

ARTICLE 6 - TERMINATION

6.1 Termination for Default. Either party (the “Terminating Party”) may terminate this Agreement if a material breach of any provision of this Agreement has been committed by the other party (the “Breaching Party”) through no fault of the Terminating Party, provided that the following procedure is strictly adhered to:

6.1.1 Deleted

6.1.2 Terminating Party shall advise the Breaching Party that a Declaration of Default is imminent by sending written notice (a “Notice of Imminent Default”) which shall set forth a description of the deficiencies constituting breach of this Agreement and provide the Breaching

Party a period of not less than ninety (90) days within which to correct such conditions. Provided, however, if the nature of the alleged default is such that additional time is required to correct such default, then, provided that the party receiving such notice (i) promptly presents a plan to the Terminating Party for correcting the default and (ii) takes immediate and substantial steps toward correcting the default, then the period for effecting a correction shall be reasonably extended in accordance with the plan presented by the party allegedly in default.

6.1.3 If such deficiencies are not corrected within the ninety (90)-day period, as the same may be extended, the Terminating Party may declare the Breaching Party in default by issuing a Declaration of Default stating the effective termination date of the Agreement.

6.1.4. In the event that the Owner disputes that Envirolink has corrected the deficiencies, a professional engineer licensed to practice in the State of North Carolina mutually agreeable to both parties will be retained by Envirolink to be the judge of whether said deficiencies have been corrected.

ARTICLE 7 - COMPENSATION AND PAYMENT TO ENVIROLINK

For the services within the Scope of Services, Owner shall pay Envirolink compensation for each year during the Initial Term and each year during any renewal period as set forth in Exhibit D ("Annual Fee") (attached hereto and incorporated herein to this Agreement).

Owner shall pay Envirolink one-twelfth (1/12) of the Annual Fee for the current year within thirty (30) days of issuance of an invoice from Envirolink for services provided during the preceding month. Owner shall pay Envirolink interest at an annual rate equal to one and one-half percent (1.5%) per month, on payments not paid and received on the due date of the payment. Envirolink shall provide each invoice on or about the first day of the month for services provided during the preceding month.

For Additional Services that Envirolink can provide in-house (*i.e.*, Envirolink does not have to enlist the services of a contractor or subcontractor and Envirolink does not have to lease any equipment to provide the Additional Services), Owner shall pay Envirolink additional compensation as provided in Envirolink's Preferred Client Rate Schedule for Additional Services that is set forth in Exhibit E (attached hereto and incorporated herein to this Agreement). The Preferred Client Rate Schedule for Additional Services may be changed once within any 12 month period, provided notice of such changes are given to Owner in writing at least 45 days in advance. For Additional Services that Envirolink cannot provide in-house (*i.e.*, Envirolink has to enlist the services of a contractor or subcontractor or Envirolink has to lease equipment to provide the Additional Services), Owner shall pay Envirolink additional compensation based upon Envirolink's actual costs (including equipment, materials and labor), plus fifteen percent (15%) of that cost.

ARTICLE 8 – INDEMNIFICATION

Envirolink agrees to indemnify and hold harmless the Owner, its officials, officers, agents, servants, and employees from and against any and all suits, actions, legal proceedings,

claims, demands, damages, fines, civil penalties, cost, expenses, and attorney's fee to the extent resulting from the negligence or willful misconduct of Envirolink, its officers, agents, servants and employees in the performance of this Agreement; provided, however, that Envirolink shall not be liable for any suits, actions, legal proceedings, claims, demands, fines, civil penalties, damages, costs, expenses, and attorney's fees arising out of the negligence or willful misconduct of the Owner, its officials, officers agents, servants, and employees. Envirolink shall have the ability to contest such suits, actions, legal proceedings, claims, demands, fines, civil penalties.

To the extent permitted by North Carolina law, Owner agrees to defend, indemnify and hold Envirolink, and its affiliates, together with its officers, directors, employees, and agents, harmless from any liability for damage or claims that may arise from an environmental claim, Uncontrollable Circumstance, the failure of Owner to perform its responsibilities under Article 3, any discharge, dispersal, release, or escape from the Facilities; any flow into or upon land, the atmosphere or any water course or body of water, or any acts, errors or omissions by any elected or appointed officer of Owner, except to the extent caused by Envirolink's negligence or willful misconduct.

Neither Party nor its affiliates shall be liable to the other Party for any special, consequential, indirect or incidental damages relating in any way to this Agreement or the Facilities, loss of actual or anticipated profits or revenue or cost of claims of customers except for willful misconduct, negligence or failure to perform services in accordance with Envirolink's February 2012 proposal, which is hereby incorporated by reference or as specifically provided in Article 10.

ARTICLE 9 - INSURANCE

Envirolink shall maintain at its own expense Worker's Compensation, Commercial General Liability, and Automobile Liability insurance policies for the duration of this Agreement in the following amounts:

Type of Insurance

Limits of Liability

Workers' Compensation

Statutory Workers' Compensation

Commercial General Liability

\$1,000,000 limit for personal injury and property damage per occurrence and \$2,000,000 in the aggregate

Automotive Liability (Auto)

\$1,000,000 each accident or loss
Combined Bodily Injury and Property Damage
All Vehicles covered hired car and non-owned
Automobiles.

To the extent permitted by North Carolina law, Owner agrees to indemnify and hold harmless Envirolink in the event that any act by an agent or employee of Owner results in any

claims against Envirolink. Envirolink agrees to indemnify and hold harmless Owner in the event that any act by an agent or employee of Envirolink results in any claims against Owner. Each Party agrees to include the other in any liability insurance policies it holds as an additional insured, and certificates of insurance shall be provided upon request. In no event shall either Party be responsible for the intentional wrongful acts of the other. All policies of liability insurance required to be maintained by Envirolink shall provide that coverage shall not be canceled or non-renewed until at least thirty (30) days prior notice has been given, except only ten (10) days notice shall be provided for non-payment of premium.

Owner shall procure and maintain fire, property, and boiler and machinery insurance, on an all risk basis, on the Facilities, in an amount equal to 100% of the value of their repair or replacement.

Envirolink further agrees to require and to make sure all of their sub-contractors and other independent agents are equally insured as required in Article 9 at all times they are performing work pursuant to this agreement.

ARTICLE 10 – UNCONTROLLABLE CIRCUMSTANCE

Except for the obligation to pay compensation, a Party's performance under this Agreement shall be excused if, and to the extent that, the Party is unable to perform due to an Uncontrollable Circumstance. In the event of an Uncontrollable Circumstance, if a Party is unable to perform certain services required by the Agreement, then that Party shall promptly notify the other Party of the existence of such Uncontrollable Circumstance and the specific services that cannot be performed. The Party unable to perform certain services shall perform all services under this Agreement which are not affected by the Uncontrollable Circumstance. The Party unable to perform shall be required to resume performance of its obligations under this Agreement upon the termination of the Uncontrollable Circumstance.

Provided however, should Envirolink's inability to perform the Services required herein due to their resources being committed elsewhere or fully utilized, then Envirolink will be responsible for the Water Districts mitigation costs in excess of the amount the same would have cost pursuant to this agreement.

ARTICLE 11: FORCE MAJEURE

Neither Party shall be considered in default in the performance of its obligations hereunder to the extent that performance of such obligations is delayed, hindered or prevented by any cause which is beyond the reasonable control of such Party (hereinafter called "Force Majeure"). Force Majeure includes, but is not limited to, any of the following, if reasonably beyond the control of the Party claiming Force Majeure: war (declared or undeclared), blockages, hostilities, revolutions, riots, epidemics, fires, delays or interruptions in transportation, terrorist acts, or any other cause (whether or not of kinds specifically mentioned herein) that is not reasonably within the control of the Party claiming Force Majeure.

ARTICLE 12 – DERIVATIVE IMMUNITY

The Owner acknowledges and agrees that the Owner has asked Envirolink to meet and keep certain specifications and requirements for the operation, maintenance and management of the Facilities and Envirolink has agreed to comply to those specifications and requirements, and as such, shall have, to the extent necessary and permitted by applicable law, such immunities as the Owner may have from suit and from liability to third parties in connection with the operation, maintenance and management of the Facilities. Nothing herein shall or be construed to constitute any waiver by Envirolink of any claim or defense of immunity of any kind permitted by law against any third party, and Envirolink expressly intends to preserve and does preserve and retain all such rights. This acknowledgment and agreement does not expand or create any additional duties or liabilities for the Owner.

ARTICLE 13 - NOTICE

For purposes of this Agreement, notices and all other communications provided for or permitted herein shall be in writing and shall be deemed to have been duly given when mailed by United States certified mail or nationally recognized courier service, prepaid, return receipt requested, addressed as follows:

ARTICLE 14 - GOVERNING LAW AND JURISDICTION

The interpretation, validity, effect, and enforcement of this Agreement are to be governed and construed in accordance with the laws of the State of North Carolina. Jurisdiction and venue for any disputes shall be exclusively in the federal or state courts within the State of North Carolina.

ARTICLE 15 - ASSIGNMENT

The benefits and obligations hereunder shall inure to, and be binding upon, the Parties hereto. This Agreement may not be assigned by either Party, either in whole or in part, without the prior written consent of the other Party, which consent shall not be unreasonably withheld.

ARTICLE 16 - CHANGES

Owner may request changes in the Scope of Services to be performed pursuant to this Agreement. All changes to the Scope of Services must be in writing and signed by the Parties. If any such changes cause an increase in Envirolink's costs and/or increase the time required for, or the nature of performance of the Scope of Services, Envirolink shall so notify Owner within thirty (30) days of receipt of the change order notification, and an equitable adjustment shall be made in Envirolink's Compensation and Payment, and this Agreement shall be modified by a Change Order signed by Envirolink and the Owner.

Owner may from time to time assign to Envirolink "Task Orders" which would consist of work outside the scope of this Agreement but within the expertise and experience of Envirolink and which may involve special repairs or maintenance, the scope and time of completion which will be elaborated at the time of assignment. Task Orders will be assigned as written change orders and payment will be made either by lump sum, provided Envirolink has furnished a

written estimate of the cost of the proposed Task Order, or by time and material charges, should both Parties agree.

ARTICLE 17 – ACCESS AND USE OF EQUIPMENT

Owner shall provide access to and use of the real property, equipment, improvements, buildings, structures, and facilities that are under the Vance County Water District's ownership or control that are presently located within the Water Distribution System. Additionally, Owner shall provide access to and use of all real property, equipment, improvements, buildings, structures, and facilities that are under the County Water District's ownership or control that are required by Envirolink to fulfill its obligations under this Agreement.

ARTICLE 18: DISPUTES

Any dispute arising under this Agreement shall be heard in the appropriate court of jurisdiction in the State of North Carolina.

ARTICLE 19 - SEVERABILITY

In the event any provision of this Agreement is held to be invalid, illegal or unenforceable for any reason and in any respect, such invalidity, illegality or unenforceability thereof shall not affect the remainder of this Agreement, which shall be in full force and effect, enforceable in accordance with its terms.

ARTICLE 20 – HEADINGS AND DEFINITIONS

The section headings have been inserted for purposes of convenience and shall not be used for interpretive purposes.

ARTICLE 21 – SUCCESSORS BINDING AGREEMENT

This Agreement shall be binding upon and inure the benefit of the Parties and their respective successors and permitted assigns.

ARTICLE 22 - ENTIRE AGREEMENT

This Agreement sets forth the entire agreement and understanding between the Parties as to the matters contained herein and merges and supersedes all prior discussion, proposals, presentations, agreements and understandings of every kind and nature among them. No Party shall be bound by any condition, definition or representation other than as expressly provided for in this Agreement.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized representatives.

Exhibit A

Water Distribution System

All current and future Phases and Contracts of the Vance County Water District, including but not limited to Phase 1A, Phase 2A, Phase 2B and related structures thereto.

EXHIBIT B

SCOPE OF SERVICES

Envirolink agrees to act and provide certain utility operation, management and maintenance services for the Facility as described below. Pursuant to Article 16, any changes in the Scope of Services that cause an increase in Envirolink's costs and/or increases the time required for, or the nature of performance of the Scope of Services, an equitable adjustment shall be made to Envirolink's Compensation and Payment. The Scope of Services includes the following:

1. Envirolink will provide properly trained and certified staff in order to operate and manage the Water Distribution System as needed and as required to obtain and remain in compliance and permitted to operate by all Federal, State and Local Laws and Regulations. Envirolink shall furnish the level of manpower needed to properly act as the Operator in Responsible Charge for the water distribution system. Envirolink will provide all wages and salaries for the assigned personnel.
2. Envirolink will pay expenses as required in the performance of these duties, which include:
 - 1) Personnel costs for all staff, including overtime expenses for staff;
 - 2) Vehicles suitable for transporting equipment and operators;
 - 3) Fuel, taxes, tags, maintenance and insurance for vehicles;
 - 4) Normal operating supplies -- including tools and general supplies;
 - 5) Lab/testing
 - 6) Other reasonable and related costs normally associated with the execution of the Scope of Services.
3. Envirolink will deal with the public and community groups in a professional manner. Any complaints received by the Owner will be acted upon immediately by the Owner, and the Owner will promptly inform an Envirolink representative of any complaints and subsequent actions. Envirolink will document all complaints and issues raised by the public, including relevant facts and information connected to the reason of each contact, the individual(s) dealt with, date and time of contacts, and the ultimate resolution of each issue.
4. Envirolink's superintendent or appropriate staff will attend the meetings (including but not limited to monthly staff meetings, Water Board meetings, budget meetings and other meetings) of the Owner as well as meetings with officials of State and Federal Regulatory Agencies, upon request by the Owner.
5. All replacements, repairs, upgrades and new installations will be approved by Owner before work begins, except in cases of emergency where health, safety and violation of permit are at risk. With the exception of emergencies, Envirolink will not purchase any single item over \$100.00 without prior approval of Owner. Owner shall not unreasonably withhold, condition or delay its approval.

Operation and Management of the Water Distribution System

Envirolink shall operate, maintain and manage the water distribution system for the County. The following outlines the services and related expenses included with operation and management of the Water Distribution System:

- Primary Operator in Responsible Charge;
- Primary Manager of all Operational, Management and Maintenance to insure the optimum operation and longevity of the Vance County Water System.
- While not required, Envirolink will designate a Back-up Operator in Responsible Charge;
- 24 hour, seven day a week on call emergency response;
- Attendance at Regulatory Agency Inspections and meetings;
- Coordination with North Carolina Regulatory Agency's regarding the operation of the water system;
- Upon testing of chlorine levels, collect bacteriological samples from the distribution system per the sample site plan and deliver to a certified laboratory for analysis;
- Comply with the requirements of the lead and copper program, including distribution of lead and copper educational material and coordination of lead and copper sampling, as required by North Carolina Public Water Supply Section;
- Collect and deliver to the laboratory samples according to the sample site plan for disinfection by-product monitoring as required by the North Carolina Public Water Supply Section;
- Purchase the analytical testing over the term of the contract for those parameters listed on the sample schedule included in Exhibit F. For additional testing above this amount, Envirolink would receive an equitable adjustment to the contract;
- Track compliance monitoring and collect and deliver to a certified laboratory those parameters required according to the North Carolina Public Water Supply Section;
- Monitor and Record Key Operational and Process Control Parameters;
- Monitor inventory levels of chemicals, parts and supplies and coordinate replenishment;
- Meter read all of Water District's meters (monthly);
- Maintain an Operator Log recording all operational adjustments and maintenance activities (note the log book remains property of the operator but copies of non-proprietary information will be provided upon request);
- Notify the County of any permit violations or specific equipment issues or capital requirements immediately upon discovery. Envirolink will indicate the reason for the violation or problems and provide an opinion of options and recommendation based on its experience in managing utilities;
- Regularly inspect and Lubricate equipment as needed;
- Adjustment to the Water System. No adjustment will be made to the process control of the water system by personnel other than Envirolink employees or its contractors, unless approved by Envirolink.

Additional Services

- Respond to customer inquiries concerning the water distribution system;

1.3 Customer Service, Billing and Collections

- Customer Account Management
- Respond to customer inquiries
- Service order processing and tracking
- Service order records management

EXHIBIT C

Owner will supply the following:

1. A County employee to act as a contracting officer representative responsible for coordinating operational matters and quality assurance for the services provided;
2. A County employee to act as a contracting officer responsible for rendering decisions that affect pricing or contract terms. No oral or written statements of any unauthorized person(s) shall modify or otherwise affect the terms, conditions, Scope of Work, or drawings of the contract or contract. All modifications to the contract must be in writing by the contracting officer;
3. Emergency power generation;
4. Rehabilitation and correction of substandard conditions are the responsibility of the Owner.
5. Parts associated with replacement, repair, remedial, upgrades and new installation performed by Envirolink, at the request of the Owner, shall be invoiced monthly.
6. Owner will maintain all permits and licenses by NCDENR for the water distribution system with the assistance of Envirolink.
7. Maintain all easements, licenses, and equipment warranties for the mutual benefit of both the Owner and Envirolink
8. Owner agrees to maintain a spare parts inventory and pay for all upgrades and modifications required by State or Federal regulatory agencies.
9. The owner will pay for power to run the water distribution system.
10. Costs associated with chemicals needed for treatment.
11. Purchase water from the City of Henderson.

EXHIBIT D
CONTRACT COMPENSATION

1. MONTHLY OPERATING FEE

- a) Owner shall pay Envirolink a monthly operating fee according to the following schedule:

O,M,&M of Water Distribution System

2501-3000	\$5.65	\$67.80

- b) This fee shall be payable and due thirty days after invoicing. Invoicing is expected to occur on or around the first day of each month for services rendered for the previous month.

2. ADJUSTMENTS AND ADDITIONS TO MONTHLY OPERATING FEE

a) Maintenance, replacement, repair, upgrade, rehabilitation and new installation outside the scope of the Operator in Responsible Charge (as approved by the County) shall be invoiced separately and will be based on time and materials needed for the job, payable to Envirolink within 30 days of invoice date.

b) For additional services beyond the in-house capabilities of Envirolink, a markup of 15% will be made to all subcontractor labor and equipment, as well as purchased material, supplies and travel expenses.

c) Sample Schedule Adjustment – For additional sampling beyond those currently required by the NC DENR (See Exhibit F), shall be invoiced separately and will be based on Envirolink's cost +15%.

3. ANNUAL ADJUSTMENTS

Annual fee adjustments will be based on the Consumer Price Index (CPI), Employment Cost Index (ECI) and Producer Price Index (PPI), and will be initiated on July 1 of each calendar year.

a) CPI shall be used for all non-labor related expenses.

b) ECI shall be used for personnel related expenses.

c) PPI shall be used for chemical related expenses.

3. TASK ORDER AUTHORIZATION FOR ADDITIONAL WORK

All additional work under this Agreement, except for emergency situations, must be pre-approved and authorized by a representative of the Owner.

Human Resources Committee

Position Vacancies. (A) The Department of Social Services has a vacancy for an *Income Maintenance Caseworker III* position in the Family & Children's Medicaid Unit. Work at this level includes carrying a caseload as well as training and assisting IMC II's in the unit. (B) Social Services also has a position vacancy for a *Processing Assistant V* in Work First. This position is responsible for clerical support in the unit and various duties for other units. (C) Fire & EMS has a position vacancy for a *Paramedic I*. The position is essential to the operation of the Department in order to maintain the required six full-time emergency medical services personnel per shift to staff three EMS Units. ***Committee Recommendation:*** *[Recommendations are contingent upon endorsement by the Human Resources Committee]. Authorize the staff to fill the vacant positions as requested.*

Planning and Environmental Committee

This committee met on Thursday, February 28 to review and discuss the proposed contract with Envirolink, Inc. for water operations support services. Included in the meeting were the County Attorney, county staff, and representatives from Envirolink and Hobbs, Upchurch, & Associates.

After sufficient discussion resulting in minor changes, the committee agreed to endorse the contract and recommend its approval to the full Water District Board in its April 11th meeting.

Vance County
County Manager's Report to the Board
March 11, 2013

A. Update/Action on CDBG Housing Project. An update will be provided on a housing project for which the current contractor has to be replaced. *Recommendation: Approve the next low bidder for a housing project as presented.*

B. Resolution – Spring Litter Sweep. Each spring and fall, the NC Department of Transportation conducts a statewide sweep of roadsides as a means of cleaning and beautifying the State. The 2013 Spring Litter Sweep is set for April 13-27. *Recommendation: Adopt the enclosed resolution in support of the 2013 Spring Litter Sweep in Vance County.*

C. Update on Computers for Commissioners. An update on the status of the computers for the Commissioners will be given. *Recommendation: Information only.*

D. NC Rural Center Internship. Through funding by the NC State Employees Credit Union, the North Carolina Rural Economic Development Center is sponsoring a summer internship program for students in NC community colleges and universities who may want to work in county government. The Rural Center will pay the student and the County if the County and student are selected. A letter of interest has been submitted to the Rural Center by the County Manager. *Recommendation: Information only.*

RESOLUTION
by the
Vance County Board of Commissioners
in
Recognition of the 2013 Spring Litter Sweep

WHEREAS, in conjunction with the North Carolina Department of Transportation, Vance County supports and encourages participation in the Spring 2013 roadside cleanup effort to ensure clean and beautiful roads throughout the County; and

WHEREAS, the Spring 2013 Litter Sweep roadside cleanup campaign will occur April 13-27. The County urges all communities, civic and professional groups, businesses, churches, schools, families, and individual citizens to participate in the cleanup effort by sponsoring and organizing roadside cleanup teams; and

WHEREAS, Adopt-A-Highway volunteers, community service workers, community leaders, civic and community organizations, businesses, churches, schools, and environmentally concerned citizens conduct local cleanups during Litter Sweep and may receive Certificates of Appreciation for participation; and

WHEREAS, the natural beauty of our State and County, in addition to a clean environment, is a source of great pride for all Vance County residents, attracting tourists and aiding in the recruiting of new industries; and

WHEREAS, the cleanup effort will increase the awareness of the need for cleaner roadsides, emphasize the importance of anti-litter campaigns, and emphasize the recycling of solid wastes such as glass, metals, and plastics; and

WHEREAS, the Litter Sweep cleanup will be a part of educating the children and citizens of the County regarding the importance of a clean environment to the quality of life in Vance County.

NOW, THEREFORE BE IT PROCLAIMED, that the Vance County Board of Commissioners does hereby recognize April 13-27, 2013 as "Spring Litter Sweep" in Vance County and encourages all citizens to take an active role in making the community a cleaner and more beautiful place in which to live.

THIS, the eleventh day of March, 2013.

PUBLIC SERVICE INTERNSHIP PROGRAM

PURPOSE To foster a new generation of community leaders through public service internships in North Carolina's rural counties

HIGHLIGHTS Thirty-five highly motivated college students will be selected this spring for internships in their home counties during the summer of 2013. Students will:

- Be placed in county government and paired with an internship supervisor.
- **Explore a variety of career options** through job shadowing experiences – parks and recreation, environmental services, health care, budget and planning and more!
- **Learn about local civic life** by participating in regular county commission meetings and other critical community discussions.
- **Give back to the community** by contributing to high profile community projects. Students will work as a team member and deliver services and products important to the overall goal.
- **Network with other interns.** Students will participate in an orientation session in Raleigh and one-day bus tour to study innovation in rural communities.
- **Hone their personal leadership skills** through training sessions, one-on-one mentoring and project development, documentation and presentation.
- Receive a stipend of \$2,500 for 160 hours of work.

A state-level review committee will select finalists from the total application pool. Final decisions will be made by counties based on application review and personal interviews.

PARTNERS The internship program is sponsored by the N.C. State Employees' Credit Union in partnership with the N.C. Rural Economic Development Center and county governments.

ELIGIBILITY College students with current or former residence in one of North Carolina's 85 rural counties are eligible to participate. Students must be rising sophomores or juniors currently enrolled in one of the 16 institutions of the University of North Carolina or enrolled in a two-year college program in one of North Carolina's 58 community colleges.

TO APPLY Applications are available at www.ncruralcenter.org. **Application deadline: March 29.** Applicants must be in good standing in their academic institutions with a minimum 2.5 GPA; have a record of community and/or campus involvement; possess strong speaking, writing and organizational skills; and desire to live in their home community/region in the future.

County Water Project. Phase 1A. As of the first of March, a total of 849 customers have been enrolled in Phase 1A, and there are 14 additional dry taps. Additional roads will be presented to Commissioners for inclusion in Phase 1A through the traditional change order process. Engineers and staff continue to work together to identify and prepare additional roads for extension of lines, and will work through the Planning & Environmental Committee in identifying the added areas. Construction of the elevated storage tank is almost completed, pending one additional change order. Painting of the tank is scheduled to be finalized by the end of April, weather permitting. Three full-time work crews continue working on line installations. Just over 90% of the construction of Contract 1 has been completed and about 60% of Contract 2 is complete. Some water taps and meter boxes have been put in along a portion of the installed lines areas. County staff continues to deliver letters and pin flags to residents who have purchased taps for installation of the meter boxes. Monthly construction meetings are being held with work crews, engineers, DOT officials, etc. to coordinate on various issues with construction, safety, billing, traffic control, etc. Policies have to be developed for rate and fee schedules, cross connections, water conservation, and tank leasing. Staff will use the Planning & Environmental Committee to review policies prior to submission to the Water Board for approval. Phase 1B. USDA Rural Development and Kittrell Water Association continue to work together to seek funding for Phase 1B, consistent with action taken by the Commissioners in December 2009. Phases 2A & 2B. The County has submitted a request for an extension of time for ARRA grant and loan funding for Phases 2A and 2B, but no official notification of waiver approval has been received. Regional and state USDA RD staffs encourage the County to continue to proceed as expeditiously as possible and we are operating on that premise. A preliminary sign-up analysis has been completed for these two phases which will enable the County to know which project areas to bid initially. All State permits have been obtained. Erosion control permits and permits from the Army Corps of Engineers have been acquired. Kerr Lake Operations staff members are processing new easements for crossing of Kerr Lake. Submission of application information to USDA Rural Development is continuously being done for both phases. Sites for the water tank and one meter vault in the area covered by Phase 2A and 2B have been approved by the Schools System. Negotiations have taken place with two additional property owners for two meter vault sites and options to purchase are currently being processed. Engineers are pursuing a lake crossing permit and a Kerr Lake Reservoir utility crossing easement through the U.S. Army Corps of Engineers. There are some low pressures concerns in the Poplar Creek Road area that are being studied and addressed. The attorney's opinions have been completed and submitted to USDA RD. Now that all required permits have been obtained, it is anticipated that the Water District can go out to bid later this month. The approved O&M services contract will cover Phases 2A and 2B in addition to 1A. Additional sign-ups remain essential in Phases 2A and 2B due to the current lack of substantial customer concentration. Current sign-up totals are 367 for Phase 2A and 374 for Phase 2B.

(NOTE –Although blog hits are down from May and June when we finished the Weight Loss Challenge, they equal the numbers for March and April when this year's challenge began. When comparing numbers for 2011 total and 2012 to date, first time visitors are 3.5 times those for all 2011, and unique visitors are nearly 50% more than for all 2011.

Since the Weight Loss Challenge started this is a very low cost way to have an on-line presence and promote healthy behaviors, as well as to communicate with residents about future efforts at the appropriate time).

- SOTCH Report presented to Granville-Vance Faith Initiative in Community Action (~24 present).
- Attended Community Transformation Grant Regional Meeting

Monthly Activities Report for the Information Technology Department
February 2013
Kevin M. Brown, IT Director.

1. Worked with ATCOM to continue to change/add/remove as needed to the phone system.
2. Installed 2 new servers at 911 and backup911 to facilitate failover of systems.
3. Created a replication scheme for e911 and backup e911 to facilitate a failure at the 911 center and allow users/communicators to assess backup network systems.
4. Installed patches and updates on the tax system server. Worked with IBM phone support to verify integrity of the server and patches.
5. Continue to move user files from old server to new Storage servers.
6. Created new backup jobs for several departments to insure that user files will be available in the event of a server failure or file corruption.
7. Worked with BBT and Teresa Harris to test new file transfer system for the monthly payroll.
8. Ordered tablets and laptops for the county commissioners.
9. Worked with DSI to resolve printing and copying issues at the senior center.
10. Installed a new server in the sheriff's department to replace the old server. Worked with Southern software to migrate and consolidate Sheriff/Jail data. Reconfigured workstations to use the new database server and decommissioned old jail server.
11. Added new phones to Tax and Sheriff Depts.
12. Generated quotes for new equipment at DSS, including new servers and storage units.
13. Installed new switch for high speed connections to courthouse server.
14. Continue to review phone usage and billing information to find unused or canceled circuits throughout the county.
15. Continue to review Internet usage to identify possible bandwidth and security issues.

16. Regular monitoring of the main firewall that includes content filtering, intrusion prevention, application control and gateway AV and malware protection.
17. Monitor the anti-virus servers for possible virus problems.
18. Continue to assist employees in the use of the content management system.
19. Continued to perform internal and external network security vulnerability checks.
20. Continued daily monitoring of server and firewall logs and backup jobs.
21. Continued ongoing research into regulatory and legal concerns regarding data security for government entities.
22. Helped users upload documents to the CMS and make those documents available to the public.
23. Performed additional day to day troubleshooting and repairs on various issues as required and continue to repair lingering issues from pre-existing problems.

MARK DOLEJS / Dispatch Staff

Renee Anderson transfers data from clients into the N.C. FAST system at the Vance County Department of Social Services on Thursday. Anderson is a temporary employee helping out with the transfer of more than 15,000 clients' information into the new system.

Vance County residents seeking food and nutrition services from the Department of Social Services will soon have access to web based applications.

The new program, N.C. Families Accessing Services through Technology, is replacing an effectively diminishing system that's been in place the past 30 years.

Departments statewide will be seeing the switch, which will enable staff to spend more time assisting families who qualify for FNS.

"The old system was antiquated," said Joan Harlow, food and nutrition supervisor at Vance County DSS.

"Clients will be able to log on to their computer, do an application, and email it to us.

"At this point that's not there yet, but they can go there, print it out, and mail it in."

Harlow expects the web-based system to be up and running by April.

Vance County has 15,668 citizens provided with FNS, totaling \$1,674,270 worth of benefits issued monthly

"That money goes into the economy of Vance County," Harlow said. "When you think about it, all the trucks that bring things to those grocery stores, all the people that work in those stores, there's a lot of people that benefit from these amounts, not just the clients."

Some backup has been creating issuing benefits to clients due to the detailed and time-consuming process involved with transferring each clients case to the new computer system.

"The frustrating part for me is that we're not getting to the customers fast enough," said Linda Fry, director of Vance County DSS. "We have had to send a few people to food banks, and the food banks have been really accommodating."

In an effort to aid the transfer process, two new part-time employees have been hired, and help was sent by the N.C. Department of Health and Human Services to oversee the system's transition.

"They realized we were such a large department, we needed more people providing over the shoulder support," Harlow said. "The reason they call it that is because they are literally sitting there looking over the caseworkers' shoulder to help them put the information into the system."

Adult Medicaid, Family and Children's Medicaid, and the Work First Program will be converted to N.C. FAST later this year

"The goal is to have it where one worker can take an application for whatever the client needs," Harlow said. "They're talking moving toward a universal worker, a worker who knows all the policies and can take an application in whatever they need to."

Converting FNS to N.C. FAST was a process that started over a year ago with Harlow preparing and planning to put things into the new system.

While it's been time consuming, tedious and wearisome for those involved, the end result will be beneficial for both worker and client.

"Right now we're working frantically to get everyone in as they are do," Harlow said. "In the long run it will be an excellent system for clients and also better for us too."

Participants may apply for FNS by going online and completing the application online at epass.nc.gov to avoid a wait at DSS. The application can be printed, signed and then brought to DSS, or mailed, or faxed to DSS at (252) 438-5997. The FNS worker will contact the participant to schedule a time for the required interview.

911 Advisory Board - 3 year term

Appoint Commissioner to replace Timothy Pegram.

NO SCHEDULED APPOINTMENTS IN APRIL

RESOLUTION
by the
Vance County Board of Commissioners
Changing the Date of the April 2013 Commissioners' Meeting

WHEREAS, the Vance County Board of Commissioners normally holds its regular meetings on the first Monday of each month at 6:00 p.m.; and

WHEREAS, North Carolina General Statute 153A-40 provides that in the event the Board of Commissioners desires to change the date and time of a regular meeting, that the Board may do so by adopting a resolution at least ten (10) days before such meeting; and

WHEREAS, the Vance County Board of Commissioners desires to change its regular meeting scheduled for Monday, April 1, 2013 at 6:00 p.m. to Monday, April 8, 2013 at 6:00 p.m.

NOW, THEREFORE, BE IT RESOLVED by the Vance County Board of Commissioners that it does hereby change its regular meeting date from April 1, 2013 at 6:00 p.m. to April 8, 2013 at 6:00 p.m. at the usual place, the Commissioners' Conference Room, Vance County Administration Building, Henderson, NC.

BE IT FURTHER RESOLVED that a copy of this resolution is to be posted on the Courthouse bulletin board, and the news media within Vance County is to be made aware of this change.

This, the 11th day of March, 2013.

Thomas S. Hester, Jr., Chairman
