

What is Crime Stoppers ???

Crime Stoppers of Vance County, a not-for profit organization, works in partnership with law enforcement, the media, businesses and the residents of Vance County to promote safer communities by working together to prevent and solve crimes.

The sole purpose of Crime Stoppers is to make our community a safer and better place to live and we need your help to reach that goal.

The program is funded through donations from individuals, professional associations, civic and social groups, businesses, City of Henderson and the County of Vance.

Crime Stoppers gives every citizen the opportunity to actually do something about the problem of crime in our community. Your donations will have an actual impact in reducing crime and removing criminals from our community.

Citizens are encouraged through cash rewards and promise of anonymity to provide information leading to the arrest and indictment of criminals.

Citizens are asked to call Crime Stoppers at **252-492-1925** if they have information regarding criminal activity. This number is manned 24 hours a day, 7 days a week, and is designated for Crime stoppers information only. The caller is given a code number to ensure confidentiality and anonymity. If the information provided leads to an arrest and/or conviction of the criminal, the recovery of stolen property or illegal drugs, they can receive a cash reward, up to \$2,000.00 as determined by a citizen board.
