Dear Area Business, Civic and Faith-Based Organizations:

May is Mental Health Awareness Month and the Warren County Board of Commissioners, Cardinal Innovations Healthcare, and the Rho Tau Omega Chapter of Alpha Kappa Alpha Sorority, Incorporated have partnered to increase mental health awareness within our community.

We are asking that you join us in learning more about the challenges to mental health, and the ways we can address the growing mental health conditions that are affecting our adults and children.

In an effort to enlighten our citizens, we will sponsor a:

We look forward to seeing you there to assist us in making a difference in the community.

Sincerely,
